The Fieldcrest Scholarships are offered annually to employees and children of employees of Fieldcrest Mills, Inc. Applicants must be high school graduates who are entering college for the first time.

In selecting the recipients, the initial factors considered are the aptitude for college work, as indicated by high school records and academic aptitude tests, together with leadership and good citizenship in school and in the community, as evidenced by extracurricular activities.

The need for financial assistance is the determining factor in choosing the recipients from among those students meeting the other requirements.

Members of the Fieldcrest Scholarship Committee are: Dr. William McGehee, director of personnel research and development, chairman; Dr. L. H. Hance, vice president-research and engineering; T. W. Graves, Jr., assistant general counsel and assistant secretary; M. B. Franklin, manager-compensation and personnel planning; and W. C. Pressley, superintendent of Eden City Schools.
