## Sales Trainee Group Tours Mills At Eden

Six sales trainees from the Fieldcrest Marketing Division, New York, visited Eden October 10-October 12 as part of their orientation.

Visiting the mills and offices in the Eden area were Glenn M. Alexander, William R. Atkins, William B. Boettger, Thomas M. Healy, Thomas V. Lester and Leslie J. Peterson.

The group toured Research and Quality Control, Fieldale Towel Mill, Blanket Greige, Sheeting Mill, Blanket Finishing, Blanket Warehouse and Sheet Finishing.

Also Bedsread Finishing, Bedsread Mill, Karastan Rug Mill and Foremost Screen Print.

## Packaging And Shipping Wins Attendance Contest

The first shift Packaging and Shipping Department at the Bedsread Finishing Mill won the September attendance contest with 1.97 percent absenteeism.

This is the best record achieved since the contest began in April to emphasize the importance of being on the job every scheduled working day.

During September, four other Bedsread Finishing departments had less than 3 percent absenteeism. They were the first shift Colonial Sewing, second shift Colonial Sewing, first shift Drape and second shift Drape.

## 100% Departments To Receive Certificates

Each of the following mill and staff units at Fieldcrest Mills is to receive a Certificate of Merit from the Eden United Fund in recognition of 100% Fair Share contributions by the employees.

Also, Bedsread Mill Fringing Department, Draper Sheeting Mill Picking Department, Karastan Merchandising-Eden, Karastan Quality Control, Mill Accounting-Blanket, Mill Accounting-Bedsread, Mill Accounting-Sheeting, Mill Accounting-Karastan and Mill Accounting central staff.

Information Systems, General Accounting, Office Services, Taxes and Insurance, Budgets, Manufacturing management, Employment Office, Eden Canteen, Floor Scrubbing, Yard Maintenance, General Offices Janitors, Traffic Department and Fieldcrest Store.

Plant Engineering central staff, Domestic Quality Control, Domestic Product Development and Design, Pilot Plant-Domestics, Industrial Engineering central staff, Industrial Engineering-Blanket, Industrial Engineering-Bedsread, Industrial Engineering-Blanket Finishing and Industrial Engineering-Karastan.

The certificates are in the process of being prepared and will be presented to the winning departments as soon as they are ready.

## Six Educational Grants Made By Foundation

(Continued from Page Three)

Sara Lou Murphy is a 1972 graduate of Morehead High School and is attending Rockingham Community College. She is majoring in social services. Her parents are Mr. and Mrs. James Clayton Murphy. Mr. Murphy is a card fixer in the Wool Carding Department at the Blanket Greige Mill.

Deborah Anne Robertson graduated from Morehead High School and attended East Carolina University for one year. She is attending Rockingham Community College where she is enrolled in the college parallel curriculum. She hopes to teach at a community college. Her father, C. D. Robertson, is a mechanic in the Mechanical Development Department and her mother (Dorothy) is a technician in the Physical Testing Laboratory.

Susan F. Stevens completed two years at Rockingham Community College and is a junior at Elon College. She is majoring in elementary education. She is the daughter of Mr. and Mrs. Gorman Stevens. Her father is a loom fixer at the Blanket Greige Mill.

Robert Lee Willis, a 1972 Morehead High School graduate, is attending Rockingham Community College where he is enrolled in a one-year course in basic electronics. He plans to pursue a career in that field. His parents are Mr. and Mrs. Kermit Willis. His father is a scheduler at the Blanket Warehouse.
