## Karastan Promotions

The appointment of Ronald M. Richardson and Jerry F. Somers as shift foremen in the Karastan Weave Room has been announced by John G. Cunningham, plant manager.

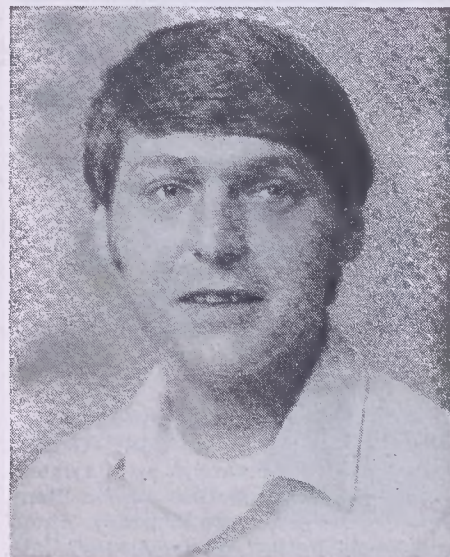

Mr. Richardson is a graduate of Georgia Institute of Technology with a B. S. degree in textile engineering. He joined Fieldcrest Mills, Inc., September 5 as a manager trainee at Karastan and is currently engaged in training assignments.

Mr. Somers was previously a shift foreman at the Bedspread Finishing Mill before resigning in May, 1970.

A native of Eden, he was employed as a supervisory trainee in May of 1967 after serving five years in the Navy. He became a shift foreman in the Cutting and Sewing Department at Bedspread Finishing Mill in November, 1967.
