A group of 12 students from Morehead High School's co-op training class toured the Fieldcrest General Offices on February 14.

Led by their instructor, Mrs. Emily Scott, the students were divided into four groups and guided by Betty Tate, Juanita Stewart, Frances Paschal and Temple Land.

Of particular interest to the students

were office procedures, office equipment and filing systems.

Other classes who have visited the General Offices in recent weeks are: office occupation students from Reids-

ville Senior High School, March 23; bookkeeping students from Ruffin High School, March 29. Office practice and bookkeeping students from Stoneville High School will visit April 12.

## Two Organizational Changes Are Announced

In organization changes effective March 20, K. M. Vaughn was appointed plant manager at the Sheet Finishing Mill replacing K. W. Foddrell who resigned.

J. P. Foster was appointed as plant manager of the Bedspread Finishing Mill to replace Mr. Vaughn in that position. Mr. Foster reports to F. E. Barron, division vice president and general manager-bedspread manufacturing.

Mr. Vaughn, a native of Reidsville, has been plant manager of the Bedspread Finishing Mill since January, 1972, and previously was general superintendent. He also was general fore-

man of the Drape Sewing Department and foreman of the Packaging Department. He is a graduate of Appalachian State University and joined Fieldcrest in 1965 as a management trainee.

Mr. Foster was plant manager of the Bedspread Finishing Mill from 1961 until he resigned in January, 1972, to accept another position in the industry.

He earlier was assistant plant manager of the Blanket Greige Mill and was staff assistant to the plant manager there. A native of Georgia, he graduated from Wofford College and joined Fieldcrest in 1947 as assistant director of training.
