Promotions Announced At N. C. Finishing Co.

The following promotions were announced effective July 1st by Morton D. Rochelle, president of the North Carolina Finishing Company division:

John L. Seabrook, Jr. has been named superintendent of bleaching and dyeing; Glenn H. Weddington, Sr. has been named general foreman of Grey No. 1 and Bleach Departments; and John W. Roderick has been promoted to night supervisor.

Three more promotions were also announced: Barry T. Byrd was named plant chemist, Larry E. Veach was promoted to supervisor of physical testing, and Lawrence C. Zeger was promoted to chemist.

John L. Seabrook, Jr. is a graduate of Clemson University with a BS degree in Industrial Management. He has been with the company since 1964 and has held the positions of management trainee, assistant foreman, chief chemist and was general foreman-Grey No. 1 and Bleach Departments prior to his promotion.

He is a member of the American Association of Textile Chemists and Colorists. He served in the U.S. Army Reserve for six years and is a member of the Harold B. Jarrett American Legion Post. Mr. Seabrook is married to the former Joyce Randall of Salisbury. They have two children.

Glenn H. Weddington, Sr. has been with the company since 1946. He is a graduate of Boyden High School and has attended Catawba College.

Prior to his promotion, Mr. Weddington has held the positions of assistant foreman — Finishing, general foreman-Put Up, and night supervisor. Mr. Weddington is married to the former Jewel Cope and has three children.

John W. Roderick is a 1964 graduate of North Rowan High School. He served four years in the Signal Corps of the U.S. Army, and received a BS degree in engineering operations from N.C. State University in 1972.

Mr. Roderick joined NCF in September, 1972 and has been a management trainee and a shift foreman prior to his promotion. He is married to the former Margaret Beck and is the father of two sons.

Barry T. Byrd has been with the company since 1969. He is a 1965 graduate of West Davidson High School. He was the first NCF recipient of a Fieldcrest Scholarship and is a 1969 graduate of N.C. State University with a BS degree in textile chemistry.

He was a first lieutenant in the U.S. Army. After his discharge in 1971, Mr. Byrd returned to NCF as a management trainee where he

remained until this recent promotion. He is a graduate of Wake Forest University. He and his wife, Sally have one child and reside in Laurinburg.
