

Honored On Birthday

Curtis Washburn was honored by fellow employees in the Channel Department at the Blanket Finishing Mill with a birthday dinner on June 14.

He is a fixer in the Napping Department at the Blanket Finishing Mill and has been employed by Fieldcrest for 47 years.

Reginald Manns

Reginald Manns, son of Mr. and Mrs. Milton Manns, will be a junior this fall at North Carolina Central University at Durham. During his summer break he is working as a counselor at Schaub 4-H Camp in Waynesville. His mother, Barbara, works in the Cut and Sew Department at the Sheet Finishing Mill.

Men's Bowling Begins Sept. 5

The Fieldcrest Men's Bowling will start September 5, at the Bowling Center, Eden.

Last year was a very good one for many Fieldcrest bowlers. Leonard Smith converted the 7-10 split, receiving a patch from the American Bowling Congress, and was also on the championship team, the Central Warehouse. The Blanket Mill team won the runner-up trophies plus took home four individual trophies. The Sheet Spinning team did not win many games, but still had their name in the pot, getting three individual trophies. The biggest surprise, however, was the fact no one team ran away with its division.

In Division "A" the Blanket Mill won the first half by one-half game over Bobby Foley and the Karastan Weave team. The second half was won by the Industrial Engineering team in a very tight race. The Mechanical Development team was 2.5 games out, Karastan Weave four games out and the Blanket Mill team five games.

All four teams rotated from first place to fourth place the entire second half. The Blanket Mill team won the Division "A" title in a roll with the I. E. Department. Division "B" was won by Central Warehouse in the first half over the Bedsread Mill by 4.5 games.

In the second half, the Sheeting Mill got a good lead and was doing well until the Central Warehouse team won 16 games in a row to go into a tie the last night of the second half.

The last week was "do or die" for both teams, and both teams did it. Then they had to roll each

Glance Is Outstanding Athlete

Harvey Glance, a 17-year-old junior at Central High School in Phenix City, Ala., is a speedburner in the 100 yard dash and the 220 yard dash. Thus far, this year, he has placed first in the 100 and 220 yard dash in Region I in Mobile, Ala. He has also placed first in the 100 and 220 yard dash in Region II in Florence, Florida.

Region III track and field events are scheduled for late July in Orangeburg, S.C. If Harvey wins his events in Region III, he will be eligible to participate in the Junior Olympic Games in Nebraska this fall. He averages better than 9.5 seconds in the 100 yard dash and said with a lot of determination, "I am going to run a 100 in 9.3 this year."

Not only is he a speedburner, but very competitive in broad jump and the triple jumps; besides being the anchor man for the Red Devils' relay teams.

Harvey's career in field and track events extends as far back as the sixth grade when he won his first ribbons. He has been a winner ever since.

Along with the ribbons he has already claimed, he was Georgia Indoor State Champion in 1972 in the 60 yard dash, when he tied the state record at 6.3 seconds.

Harvey's father, Wheeler Glance, a second hand in the Shipping Department at the Columbus Towel Mill, when asked how he felt about his son's
