Mrs. Turner with her completed ensemble.

Retiree Makes Ensemble By Quilting Design On Sheets

A retired employee of the Fieldale Towel Mill has taken one of Fieldcrest's beautiful designs from the American Treasures Collection and made it even more beautiful.

Belle B. Turner, who retired from the Sewing Department in 1962, has taken the Aimee's Patchwork sheet, quilted each individual part of the design, and created a beautiful comforter.

She also quilted matching pillow shams which with the matching sheets and dust ruffle make a lovely ensemble.

Mrs. Turner, who made the items for her son and daughter-in-law, says she liked the design and just decided to try to quilt it. She began the project in February and completed it in early July. "I enjoyed working on it more than anything I've ever done," she said.

Buy . . . Sell . . . Swap
