

WADE JOHNSON

MILTON RANKIN

## Johnson, Rankin Join Fieldcrest In Eden Area

Two young college graduates have joined Fieldcrest Mills, Inc. to work in the Eden area.

Wade Johnson started his training in June as a shift foreman in the Warehouse and Shipping Department at the Karastan Service Center. He is a 1977 graduate of Virginia Polytechnic Institute and

State University with a degree in Business Management.

Milton Rankin has joined Fieldcrest as a salary analyst in the Industrial Relations Department. Previously employed by the Rockingham County Department of Social Services, he is a 1973 graduate of the University of North Carolina at Chapel Hill.

## Horn Named Division VP, National Sales Manager

Charles G. Horn has been named division vice-president and national sales manager for Karastan Marketing Division. The appointment, effective immediately, was announced in New York by Francis X. Larkin, president of the Karastan Marketing Division.

Horn comes to Karastan from the Fieldcrest Marketing Division, where he had been a division vice-president and north central regional manager. He succeeds W. T. Barton who has resigned.

In making the announcement, Larkin noted, "Mr. Horn brings to Karastan an impressive record of management achievement in marketing and sales."

Horn joined the Fieldcrest division in 1963 following a position with Litton Industries, Inc. He served Fieldcrest in a number of sales assignments until being promoted to north central regional manager with headquarters in the Chicago office in

CHARLES HORN

1970. He was named a division vice-president in 1972.

A native of California, Horn holds a Bachelor of Science degree from the University of Southern California. He will make his headquarters at Karastan's national sales offices at the Carpet Center in New York.

## Moving Up . . .

... **RODNEY L. PRYOR** has been promoted to shift foreman of the Wool Spinning Department at the Blanket Greige Mill. Prior to his promotion he was a supervisory trainee at the Blanket Greige Mill. He joined Fieldcrest in February, 1977.

... **DANIEL F. RAPER**, electronic development engineer, has transferred from the Whiteville Plant to the Mechanical Development Department, Eden. His new assignment will permit broad application of his electronic knowledge and experience at Fieldcrest.

## Engineer Heads West—By Bike

John W. Self, already well known for his affinity for motorcycles, has outdone himself this time.

During his vacation, he rode his motorcycle 2600 miles, from Eden to Arlington, Texas, and back. He left Eden on Wednesday, June 22, and arrived in Arlington at noon on Friday, June 24. He returned home July 1.

Round trip he used 45 gallons of gas and encountered only one brief shower on the trip.

"I'm ready to go again," he said.
