

# Eden Red Cross Awards Fieldcrest 12 Trophies

Fieldcrest departments and plants earned ten 100 percent trophies and the two top trophies recently awarded by the Eden Chapter, American Red Cross, for participation in the 1977 Bloodmobile Program.

The awards were presented on February 22 at the annual lunch by Guy Buckle, Eden Chapter American Red Cross blood chairman.

The two top trophies for outstanding team effort during the 1977 Bloodmobile went to the Bedsread Mill (for the third consecutive year), and to the Research and Engineering Department, which won for the first time. These are roving trophies which are awarded each year to two teams, one composed of more than 100 employees, and one of less than 100 employees.

Accepting the award for the Bedsread Mill was Lonnie Lawson and for Research and Engineering, Donald Young.

The 100 percent trophies, given to teams who met their quotas, were won by the Bedsread Finishing Mill, Blanket Greige Mill, Business Information, Industrial Engineering and Traffic, Industrial Relations, Karastan Service Center, Purchasing, Draper Sheeting Mill, Bedsread Mill, and Research and Engineering.

Special certificates were also given to Bill DeLapp, Industrial Engineering Department, and Carl Maddox, Business Information, for their help in improving the system of blood donations.
