this market. "Believe me, I've kept a keen eye on bed and bath fashions ever since.'

During the South American sojourn, Mary Martin opened a boutique. As well as designing the shop, she designed the apparel that was sold there. Now that she lives in Palm Springs, California, she indulges hercreative talent by decorating her home with sheets. At the same time, she is following another avocation — painting. Her pictures are painted for her own pleasure, and her friends. Those lucky enough to own one, report that the star of "South Pacific," "Peter Pan" and "The Sound of Music" is as accomplished an artist on canvas as she is on the stage.

She will introduce the collection for Fieldcrest in New York in May and will help promote the collection in the Fall.
