EDITORIAL

It is our greatest desire to give you this year a "bigger and better" SUN DIAL. To this end we are turning all our forces, and, with your cooperation, we can accomplish our aim.

To make these improvements we must have money, and to have money we need a Student Activity Fee from each one of you. This fee has been established by the school and covers a number of items, one of them, your right to a SUN DIAL. If you pay the fee you are entitled to an annual and all the copies of the DIALETTE; there is no other charge. Pay your fee, enjoy the DIALETTE now, and look forward to a bigger SUN DIAL.

MUSIC

Montreat students and faculty attended the second Civic Music Concert in Asheville on Sunday December 11, at 2:30 o'clock. The Philharmonic Orchestra of Philadelphia conducted by Ormandy, presented a delightful program.

On Wednesday night, December 14, a program of Christmas music will be presented by the choir and Glee Club. At which time Dr. Caldwell will give a short talk.

DUPED

Who are the goats now? None others than two very promising and enterprizing college juniors: two Marys who proved to be not very contrary.

The circumstance which proved the point was a "snipe" hunt, immediately following the presentation of the MIKADO, Saturday, December 3. After explaining very carefully about the stage of the moon and how to hold the bag exactly right so that the snipe could jump in, Miss Smith, the chaperone, left the girls two by two at intervals up the mountain-side.

The two Marys very contentedly settled themselves on a log, holding the bag just right between them. Just exactly how long they remained "holding the bag" no one can determine, but no sound or sigh was heard from them for an hour.

The two disappointed hunters were well rewarded by a delicious "feed" at the Men's Club. Games of checkers and ping pong were also enjoyed, ending a delightful evening.

"THE MIKADO"

Our College Juniors are very proud of the success which attended the presentation of their operetta, "The Mikado", under the direction of their sponsors Misses Hoyt and Woodhouse. It was given December 3, in Gaither Hall, and again December 5, at the W.N.C. Sanatorium. On each occasion the stage was beautifully decorated with Japanese lanterns, artificial cherry trees and wisteria blossoms. Bright colored costumes, fluttering fans, lovely voices, all went to make the little opera a lovely thing.
