

# LETTERS TO Santa Claus

Dear Santa Claus,

I am a very little girl people call "Freckles." I don't know why people call me that, tho'.

First of all Santa, please go and see all the poor children, and bring them a lot of toys.

All the girls at college have men. Please bring me one. I also want some bells. I promise not to wear them in school. I have been a good girl, so please bring me some good surprises.

Lots of love from your little friend.

Freckles.

P.S. There will be some candy on the mantle for you--I want a Pepsi Cola, too.

Dear Santa,

I would like ice cream for every meal, and all the good food I can hold between meals.

Then I want it to snow real deep so I can play in it to my heart's desire. I have never seen snow, and I would like very much to have a white Christmas.

Grace Bealey

Dear Santa,

Please just make my Christmas one great big surprise! But just remember that I have moved, and that I have a new baby brother.

Dorothy

Dear Santa Claus,

I want a toy dog for Christmas, one big enough for my bed and to play with. Thanking you in advance--

Boots

Dear Santa Claus,

For Christmas, I'd like to have a silver fox chubby jacket, a crown colored chrysler with white side wall tires and just loads of candy, cake, and peanuts.

Thank you,

Mary Lou Dwight

Dear Santa,

Please send me a box of candy, and a bicycle, and a box of stationary.

Keneth Potent

Dear Santa,

I've been a very good girl all the time, and don't let any of the teachers tell you I haven't. I would like to have a new supply of all the latest records.

Thanks,

Nancy Gleaton

"Do you want a room?"

"No, I want to disguise myself as a banana and sleep in the fruit dish."
