MONTREAT COLLEGE

SEPTEMBER, 1943

Montreat Opens With Largest Enrollment In History

FACULTY NEWS

Miss Alice Macfarlane, former teacher here in Montreat, is now at Spartanburg Jr. College, Spartanburg, S. C.

As we all know, Miss Elsie Fletcher joined the WAVES last year. At the present she is stationed at Norfolk, Va.

Miss Laura Mae Brown and Miss Margaret Smith have both joined the Red Cross. After taking a course in Washington, D. C., they will do Recreational work.

Miss Carrie Laddrey is the new dietitian at Mitchell College, Statesville, N. C.

Miss Hallie Blair is a member of the faculty of the Junior College at St. Petersburg, Florida.

The former housekeeper of Alba, Mrs. Lula Beattie, is located at Peace College, Raleigh, N. C.

Miss Lydia Brandon is now teaching in Rainell, West Virginia.

We understand that Mrs. Vera Spears has joined the WAVES.

Two new teachers in our Business Education department are Miss Mary H. Read from Ferrest, Virginia, and Mrs. O. V. Armstrong of Montreat.

Miss Lula G. McClure, English instructor, is from Trivali, Illinois.

In 1916 when Montreat opened its doors for the first time, there were only eight students. Today, in 1943, the school can boast an enrollment of three hundred twenty and a faculty of twenty-five. This outstanding record has never been surpassed. The desire for Christian education among young people in the world has brought about an increase in attendance in all schools throughout America. Montreat is no exception.

The students were welcomed heartily by all organizations on the campus. On Wednesday evening a picnic was given for the student body under the auspices of the SUN DIAL Staff. The Y. P. C. Councils entertained at parties on Wimsborough Porch and the Recreation Hall on Thursday evening. An enjoyable moonlight hike was sponsored by the Athletic Board on Friday. This was followed by a formal reception at Assembly Inn on Saturday night. Dr. Spencer delightfully entertained the new girls at an informal tea on Sunday afternoon.

We feel confident that Montreat will enjoy its best year yet if the good spirit which has begun our year is continued.

Another new member of the faculty is Miss Ella Dale who will teach Latin. Miss Dale is from Jacksonville, Florida.
