## Varsity Battles M-Club To Thrilling Tie In Thanksgiving Game

The crowds gathered early at the soccer field Thanksgiving Day to watch the new and old M-Club members tangle with the well-chosen Varsity team in Montreat's big Homecoming Game. Fans of both teams lined up on each side of the field, cheering enthusiastically; and twenty-two players equalled this enthusiasm by taking their positions on the field before the starting whistle. The first quarter was nip and tuck all the way ending without a score for either side. In the next two quarters M-Club made two goals, leaving Varsity to trail behind until the beginning of the fourth quarter. Then the Varsity team entered with a new spirit, and soon made two goals, bringing the score up to an even 4-4. By this time excitement was so keen that not even the rain could dampen the spirits of players or spectators. The whistle blew and the game was over. The score was a tie, 4-4. Both teams had chosen two well-qualified captains who did a grand job. Pat Harley was captain of M-Club; Pat Williamson, of Varsity.

## The Athletic Association Sponsors A Varied And Unusual Program

### Navajos Take First In Soccer Tournament

The Navajo - Hiwassee soccer game proved to be one of the most exciting games of the entire tournament, with stiff competition from both teams until the very last. Even Nature seemed to be doing her part, because there was a hard wind blowing - sometimes for one team and again for the other side. The final score was 2-0 in favor of the Navajos. The tournament ended with the Hiwassees - Mohawk game. Both teams were out with a determined spirit because this game was a turning point to see who would place second in the tournament. The Mohawks won the place by taking the victory with a score of 6-0. This game officially closed the soccer tournament, of which the Navajos are Grand Champions. The head of soccer, Flossie Young, is to be commended for the wonderful work she did throughout the soccer season.

Holly branches deck the halls,  
Balsam covers all the walls,  
Mistletoe is on the ceiling  
To give vent to Christmas feeling,  
All looks lovely to the eye —  
Till the stuff begins to die.

The Athletic Board of Montreat College, with the help of Miss Smith, their sponsor, put on a fascinating program in Anderson Auditorium on Saturday, November 26, at 8:00 p. m. The Auditorium was decorated in blue and gold, which are the Board colors.

The program represented a carnival with all the side-shows producing giggles, shrieks of horror, and expressions of amusement and amazement from everyone who went to any one of the five shows.

Jackie Holt, side-show chairman, and her assistants showed clever planning: they organized the Bathing Beauty Review, the House of Horrors, The Ball Room, the Five Wonders of Montreat, The Montreat Museum, and Madam Know it All with Futures Foretold, all of which could be seen for only a few pennies.

The Dramatics Club, sponsored by Miss Boardman, presented another feature, a one-act play, "Patterson's Dinner." The players were Ruth Rozier, Mary Porter, Kathryn Patterson, Norma Cummings, Dot Wright, and Lilly Mitchell. Joan Guthrie acted as prompter and assistant director.

Sue Morrison, chairman, and her food committee provided plenty of hot dogs, doughnuts, ice cream, and cold drinks to be sold.

During the latter part of the program square dancing was enjoyed with Mr. Miller calling the figures.

An admission of 15¢ was charged and the proceeds will be used to pay for pictures which the Athletic Board is sponsoring in the 1949-50 SUN DIAL.
