

OFF TO MITCHELL

"Over hill, over dale, we have hit the dusty trail, as the hikers go tramping along!" This might be a portion of the dialogue of the forty Montreaters, lead by Miss Smith, who trudged across Graybeard Mountain for the first six miles and strolled along a precarious dirt road for the next lap of the annual pilgrimage to Mitchell. Did I say strolled, During this part of the hike all participants kept their eyes peeled for a suitable picnic ground where they could enjoy their lunch. After eating and refilling their canteens with cool spring water, they began the up-grade climb on a hard-surfaced road. Some of the weary hikers were tempted to hitch a ride with the travelers who passed by in cars.

While viewing the beautiful scenery, the weary hikers ended a perfect day with a picnic and sentimental songs around a picturesque campfire.

Student Christian Association Plays Important Role In Our College Life

"IS EVERYBODY HAPPY?"

Time has come to get some pep and make our Montreat cheers echo through the hills. To lead us we have eight new cheerleaders.

Jean Booth, head cheerleader, will be ably assisted by cheerleaders from the Gold and Blue teams. Representing the Gold Team will be Frances Mouzon, Margaret Barrett, Helen Daniels, and Mary Green. Leading the Blue Team will be Beverly Berry, Rachel Denman, Margaret Carrico, and Betty Mason.

Let's Celebrate!

If anyone is having a birthday, Miss Buchanan and the birthday committee will see that you get a bang-up party with cake and all the trimmings.

The committee is composed of Leta Miller, Ernestine Wiggins, Margaret Leech, Gene Booth, Millie Jenkins, Betty Weaver, Joan Schrenk, and Grayce Montgomery, with Miss Virginia Buchanan as advisor.

For the September party the theme was "School Days." It was carried out very appropriately, and everyone had a grand time.

For those having birthdays in the coming months and especially October, be ready for a big surprise!

The September party was only a sample of the parties planned for this year. When your birthday comes, this committee will do its best to give you a "Happy Birthday."

Dr. And Mrs. McGregor Entertain Freshman Class With Picnic Supper

As the climax to the series of welcome parties showered on the freshmen, Dr. and Mrs. McGregor invited the whole class to their home Sept. 19, for an evening of fun with a picnic supper included.

One freshman described the food as delicious, and Dr. and Mrs. McGregor as the perfect host and hostess. She especially emphasized their treasure hunt entertainment, and around-the-fireside get-together in their living room as things to be remembered.
