LETTERS TO SANTA

From Page 6

Dearest Santa:

We are very happy because it's Christmas. We're thankful we can go home to our peaceful firesides, and give gifts, though not as great as was given us on that first Christmas.

We wish most of all this year for a spirit of good will to reign in the hearts of men, and we'd like for peace to reign on earth, if only for a day, in honor of Him whose birthday we celebrate.

We wish for those who are more misfortunate than we, a heart full of love and joy; and would like for all the hearts of the world to feel as one bowed before the manger on Christmas Eve.

The Montreat Girls

Dear Montreat Girls:

These are my wishes too!

Sincerely, Santa
