I'll Always Remember

By Evelyn Morris

How quickly time flies! It seems such a short while since September, 1951, when I first came to Montreat as a Freshman. Yet, how much has happened since then and is happening now during these busy months of a wonderful Junior year! These are memories that will last forever.

I can still see so clearly the blue and gold streamers hanging from the "welcome Freshmen" sign that was on the gate that fateful day of arrival. I can just as surely feel the warm clasp of Miss Wilson's hand as she led me into her office. From that moment on I felt at home, and I again thanked God for bringing me to this Montreat of which I had heard so long.

Registration, orientation, Chapel ser-

vices, parties, and classes soon followed and each was a new experience. One of the greatest joys in those first few months was the forming of a friendship with every Montreater. I even discovered among them two other West Virginians!

There were special things too, such as the time when the Student Body gave Heide her ticket to go home for Christmas, her first visit with her family in two years. Also at Christmas time, the College Choir had the privilege of joining a 500 voice Asheville Choir to sing The Messiah. I'll always remember!

Spring in Montreat brought May Day and the realization that the year was nearly over. It couldn't be! Commencement came all too soon and left some treasured memories, but at the same time took away the Seniors, twelve girls that we knew Montreat couldn't do without.

The Department of Music of Montreat College will present in recital the Junior and Senior music students. The residents, guests, and students of Montreat are invited to these evenings of music in Gaither Hall at eight o'clock p.m.

The recital of Ann Broom, soprano, and Frances Mouzon, pianist, will be held on Saturday, April 24, at 8:00 p.m. in Gaither Hall.

Ann, a senior, has studied under the direction of Mr. Allan Guy this year. She has been a member of the Montreat Chorus and the Church Choir, and has willingly lent her talent to enrich chapel and vesper programs on the campus and church services at The Western North Carolina Sanatorium, and to bring pleasure to the service men in the veterans hospitals of Oteen and Swannanoa. After graduation, Ann will be Director of Christian Education of the Presbyterian Church in Seneca, South Carolina.

Her recital program will include selections in German and English by Caldara; Torelli; Durante; Schumann; Victor Herbert; and Bennett.

Frances, a junior and a pupil of Mrs. Victor Schoen, will accompany Ann; appearing on her own program are selections from Beethoven; Bach; Brahms; and Gershwin.

Ivey Dee Chaffin and Margaret Leech will be presented in junior recital on Monday, May 3.

Ivey Dee, pianist, has also been instructed by Mrs. Victor Schoen this year. She will play compositions by Schumann; Brahms; Chopin; and Debussy.

Margaret has studied under Mr. Harold Frantz's direction. Her program will include selections for the organ from Bach and Franck.

Miss Betty Lown, pianist, will appear in Senior Recital on Saturday, May 8.

Betty has sung second soprano in the Montreat Chorus and Choir during her four years of college. She plays for special services on the campus, and is choir director at the Presbyterian Church in Black Mountain this year.
