MONTREAT COLLEGE, MONTREAT, NORTH CAROLINA

SEPTEMBER, 1959

North Carolina Leads Student Body

"Where did you say your hometown was? . . . Oh, you! Another Floridian!"

We hear this familiar phrase ricocheting from the halls of Montreat for the first few weeks of school. To help you keep your friends geographically straight, try wading through these statistics and see whose dialect fits which state.

From the "old North State" there are

fifty-two students. South Carolina has sent us twelve of her "Sandlappers" to drink in our brisk mountain air. There are four Georgia "Peaches" as well as four West Virginia "Mountaineers." Kentucky, Alabama, Tennessee, and Maryland are each represented by two of their Southern "belles". Now hear this: Twenty-one Florida "Gators"! We even have a co-ed from Africa

and a singing lass from California. Also, there are two — WHAT! YANKEES!!! At least that's what they claim, but we know the Mason-Dixon Line is in Pennsylvania and not Maryland.

Our sixteen extension students are all from North Carolina.

Freshmen Attend "Grand Ole Opry"

Howdee!!! For a rousing big welcome to our Freshmen, the Cabinet members and other council members staged a stupendous production of the Grand Ole' Opry on Monday night, September 7. Dot McGoogan was mistress of ceremonies for the Hillbilly "hit parade".

After a little exhibition from the fancy-stepping square dancers, we met that versatile "Minnie Pearl", alias Charlotte Dodd, who gave us the lowdown on her love life. After this chronicle "Minnie" and her "cousin" Rod Brassfield (John Ireson) gave their rendition of "How Many Times". By then everyone needed a commercial, brought to us by our Tuberose girl, Marcia Hudson, backed by Glenn Camp and John Ireson. These two boys, better known as Jerry and Lee, gave us a piano duet next, with John singing "You Win Again".

Things were brought to a close with a "Mountain Dew" finale, with Bettye Hampton, Marcia, Glenn, and John leading.

Dot invited everyone to a slice of watermelon for the end of an evening of fun.

Students Inaugurate New Dorm Council

This year in order to aid cabinet in making decisions, preliminary broken house rules will be first taken to the Dormitory Council which meets twice a month with other meetings called whenever necessary. Composing the Dorm Council will be the Hall Court chairmen, the Assistant House President, and the House President. These, except the House President, will be elected by Cabinet after the 6 weeks period of orientation is over.

Serving now for a period of six weeks are members of the Cabinet, Barbara Powell, Lorene Key, Hilda Sexton, and Bettye Hampton as Acting Hall Court Chairmen, and presiding is the House President, Charlotte Dodd.

The Dormitory Council shall guide and co-ordinate the dormitory life of the students. The Dormitory Council will assign penalties for violations of house rules. Any case which the Council feels incompetent to solve may be referred to Cabinet by the House President.

wise) will be able to go without it interfering with studies.

The date set for the Mitchell hike is Tuesday, October 13, weather permitting. If bad weather interferes, classes will run as usual and the hike will be Thursday, Oct. 15. The hikers will leave at 11:15 and will have lunch at the waterfall, just below the top of Graybeard.

Students Will Take Annual Hike to Mitchell

Once a year a group of Montreat students take the annual hike to Mt. Mitchell. This year a change has been made in the time element. Instead of rushing around trying to get ready on a Saturday afternoon, the hike is to be a week day. How? Lend an ear: The Administrative Committee has agreed that morning classes could run short beginning at 8 o'clock and ending at 10:55 o'clock. Afternoon classes will be canceled. This means that everyone who wants to hike and is approved for hiking (health
