MONTREAT COLLEGE, MONTREAT, NORTH CAROLINA

APRIL, 1960

Students Elect Officers For '60-'61

CORONATION HIGHLIGHTS MAY DAY; PAGEANT, BUFFET, RECITAL FOLLOW

NEW REGULATIONS PASSED BY CABINET, ADMINISTRATION

The Cabinet of the Student Government Association has decided that Freshmen may have one late light each week until 1:30 A.M., provided they notify their hall court chairman before 10:45 P.M. Students taking late lights must sign up with the hall court chairman at this time. Saturday night lights have been extended to 1:00 A.M.

The Handbook Committee is working on the handbook for the school year 1960-1961. The Administrative Committee in preparing the administrative regulations for next year has already voted to keep the same policy regarding dancing and smoking for the women students. The Administrative Committee is working out an administrative demerit system to go into effect next year which will apply to the violation of administrative regulations.

At the present the Student Government Association is administering a demerit system to the student government and dormitory rules. The administration is aware of some violation of administrative regulations, and there has been no penalty system for such violations. Students, under the new administrative penalty system, receiving a specified number of administrative demerits will be considered on disciplinary probation and will be warned as to their standing in the college. The new demerit system of the administration will work separately from the demerit system of the Student Government Association.

Miss Dee Joyner of Charlotte, N. C., will reign as queen over the annual Montreat Anderson College May Day Festivities, May 7, 1960. The coronation, held on the Auditorium lawn, weather permitting, will occur promptly at 4:00 p.m. In the event of rain, McAllister Gym will be the site of the coronation.

Miss Beth Rose, of Miami, Fla., Maid of Honor, will crown the queen. Class attendants include sophomores, Miss Dot McGoogan, Miami, and Miss Martha Kinney, Sarasota, Fla.; and freshmen, Miss Dale Grethen, Miami, and Miss Paul Betters, Wheaton, Md.

Accreditation Com. Visits M.-A. College

Henry L. Ashmore, President, Pensacola Junior College, Pensacola, Florida, and Charles Harman, President, Bluefield College, Bluefield, Virginia, visited Montreat-Anderson College April 24-27 as the accrediting committee of the Southern Association of Secondary Schools and Colleges.

A report including records made of transfer students to other colleges was sent to the Southern Association in October. At their annual meeting in Louisville, Kentucky, November 30, Dr. Davis was informed by the committee on Standards that the Southern Association was sending an evaluation committee in the spring.

During their brief stay here, the committee interviewed members of the student body, faculty, and administration. They also visited classes and inspected the equipment of the various departments.

MORSE, HARBOUR, CARSWELL, BAXTER, CAUDILL, HAYNES

The week of April 18-23 was an exciting and important one for the student body of Montreat-Anderson College. This was election week, the time for the selection of a new slate of officers to serve for 1960-61. After hearing campaign speeches from their supporters, the following students were elected to office: Beth Morse, president of the Student Government Association; Ann Harbour, president of the Student Christian Association; Mary Carswell, president of the Women Recreation Association; Toni Baxter, editor of DIAL-ETTE; Grace Caudill, editor of the SUN DIAL; and Mary Gale Haynes, social chairman.

These young ladies have been active in Montreat's machinations already, and have proven their abilities for leadership. Each also has behind them records of accomplishments which have given them experience for their new offices.

Beth Morse is the daughter of Rev. and Mrs. Frank R. Morse of Alabama. She was very active in the music program of her school, serving as president of the band, member of the All-State Band for four years, and of the All-State Orchestra for four years. She received the honors of first and second places in these organizations for her skill on the French horn. Beth was also a member of the National Honor Society. A leader in her church at home, Beth has continued that leadership at Montreat. She is the head of the Music Group of the Student Christian Association. Here, also, she is a member of the chorus and is most active in sports, making varsity in all.

Another Alabaman, Ann Harbour was also a member of the National Honor Society. She was a member of her high school orchestra, of the Promoters Club, and president of the Future Teachers of
