### Faculty Revised For Coming School Year

As the school year draws to a close, the thoughts of the returning students turn to the coming school year, to their new courses, and to the professors who will be teaching those courses. There will be a few changes in the faculty of Montreat for the coming school year of 1960-61,

Mrs. Burchfiel is leaving to teach in the Business Department at the University of Tennessee, while Mr. Burchfiel is working on his Doctorate Degree. Mrs. Burchfiel is being replaced by Mrs. Stuart Miller of Black Mountain.

Miss Annie Webb of the Mathematics Department will not be returning, but as yet she has not been replaced.

The infirmary will not be the same next year. Our Miss Ward is retiring and will not be in the infirmary to "coddle" us during our illnesses. The infirmary will be moved to the first floor of College Hall, while repairs are being made on the old one. Mrs. Mary Edwards of Durham, N. C., and the mother of Mrs. James Uzzell, office secretary, will be head resident. Mrs. Edwards will also be director of the male students who will be lodged on the second floor of College Hall.

Ann Bullard is leaving us to take a post

### Officer Slate Completed

The days of elections are over, and all the offices have been capably filled. Jimmy Hall as vice president and Carol Upchurch as secretary and treasurer were elected to complete the Student Government offices.

The Student Christian Association was fortunate in gaining Nancy Abel, vice president; Brenda Overman, secretary; and Betty Jean Leeper, treasurer, as their major officers. The group leaders for 1960-61 will be: Jimmy Byrd, Evangelism; Beth Rose, Christian Service; and Jacqueline Hege, Spiritual Life.

The W.R.A. obtained two good leaders in Dorothy Darr as vice president, and Faye Williams as secretary-treasurer.

The two college publications have selected the following people to complete their staffs: The DIALETTE, Business Manager, Betty Ayers; Circulation Manager, Mary Ellen Sproles; Advertising Manager, Margo Forgey; Chief Typist, Nancy Able. The SUN DIAL, Assistant Editor, Brenda Overman; Business Manager, Beth Hall; Advertising Manager, Mary Jo Harris; Typists, Virginia Beale and Betty Jean Leeper.

Montreat should really progress next year with these capable people leading her.

### EKK! We Goofed!

It finally paid off — those frantic last minute touches to the paper. We goofed —and how!! The caption for the feature about Miss Hoyt carried a word, which, no matter how "good" it sounded, was unforgivably incorrect. The word, "Emeritus", has now been added to the vocabulary of the staff, and according to Webster, means "Retired, as for age, with a title corresponding to that held in active service."
