MONTREAT-ANDERSON COLLEGE, MONTREAT, NORTH CAROLINA

APRIL, 1961

S.G.A. Officers Named

The weeks of February were filled with enthusiastic interest as various students were considered and reconsidered for the positions of leadership of the student government.

Frank Powell is the second male in the history of the college to be elected to the outstanding position of president of the Cabinet and of the student government. The son of Mr. and Mrs. Claren Powell of Red Springs, North Carolina, has been prominent in student activities this year. Frank is vice-president of the Freshman class, on the social committee, a member of the Montreat Singers, a library assistant, and was recognized as the Outstanding Personality of January.

The office of president of the S.C.A. (Student Christian Association) went to a male student from Black Mountain, North Carolina, J. R. Payne. J. R., who has lived with his grandparents, Mr. and Mrs. Lewis Payne since the death of his mother, is a Christian Education major. J. R. has

an outstanding record in his church and school activities. He is also the Outstanding Personality of this month. (See page 3.)

The Woman's Recreation Association is proud to name Sandy Scott as their leader for the year of 1961-62. Sandy, the daughter of Mr. and Mrs. Orvil Scott of Hialeah, Florida, has been active in athletics since her high school days where she was chaplain of the city Girls' Athletic Association. At Montreat Sandy has been most active in W.R.A. activities and will be a credit to her post.

Janee Howard of Asheville, North Carolina, was named to fill the office of editor of the school yearbook, *The Sun Dial*. The daughter of Mr. and Mrs. H. L. Howard actively participated in the North Carolina Drama Festival, North Carolina Choral Festival, and was news editor of her high school newspaper. Janee has the lead role in the play "Family Portraits" to be presented May 6. Majoring in psychology and

Christian Education, Janee's vivacious manner will be a pleasant addition to the S.G.A. Cabinet.

The future editor of the *Diallette* is one of many and varied interests. The daughter of Mr. and Mrs. James Wildermuth, Judy is known on campus for her spirited interest concerning campus activities. Judy, who was active in her church as youth group leader and as a part-time secretary, is majoring in Christian Education. Judy hails from Rock Mount, North Carolina, and is a fine choice for such a position.

The social chairman for next year is one who has had plenty of experience. Equipped with a deep, almost bass voice and an overflowing personality, Nancy "Sam" Whittemore comes to us from Easley, South Carolina. Serving on the Cabinet will not be a new experience for the daughter of Mr. and Mrs. David Whittemore, for she is president of the Freshman class this year. "Sam" was very active in her high

Billy Graham Speaks

The chapel programs this semester have been most interestingly presented by a variety of learned and famous people.

Wednesday, April 19, the students, faculty, and interested residents of Montreat heard the world-famous evangelist and resident of Montreat speak to them on "Convictions". Billy Graham told of some of his experiences with the college students in Fort Lauderdale, Florida, Easter weekend. It was his opinion that the young people of today need convictions—"a slogan to pronounce, and a flag to follow". Dr. Graham said if people would keep Jesus Christ ever in their minds that they would have convictions.

With Spring Comes May Day

After winter comes the days of spring. Spring, often thought the most beautiful of all seasons, is especially welcome on the Montreat-Anderson campus after months of ice and snow. With the first bright greeting of the daffodils and the simple beauty of the white and pink dogwood trees the campus buzzes with preparations for May Day.

As is usual, the weekend of May 5, 6, and 7 will be quite an active one. Many guests composed of parents, friends, and prospective students are expected. The
