

Dear Miss "Coop",

What would you do if you roomed over a grouch?

Sara and Penny

Dear Sara and Penny,

There is always the solution of moving, but I would not advise a 12 a.m. "trek" or one to the third floor reception room--the attic. However, I feel that each of you is better able to deal with this situation than I am each of you having roomed with a grouch last year.

Please, Miss Cooper,

Everyone is homesick, and so am I! Give us a remedy.

C. H.

Dear C. H.,

I know what you mean. You have an ailment common to everyone at times. It is very complimentary to your family but hard on you! Get out and take part in activities--if it's only going to the store. You might, by the way, try studying; after all, examinations, and I do mean examinations, are a short, short while off. Then think back over some of the friendships you've made up here, some of the silly things you've done with the girls, and remember you probably won't see a majority of these girls again. Don't you want to spend every minute doing things you can store up in your memory for thinking on during those long, leisure summer days? And you aren't quite as anxious for commencement time as you were, for separation time, and no more griping about the food, or the teachers, or the lack of this (man) or the multitude of that (studios). All in all, it hasn't been so bad--in fact, it's been a good year. You'll find after you leave that Montreal has sorta wiggled into your heart unconsciously, and you're glad it has!

While this is a year of many changes, and a great deal is not being planned for visiting Alumnae, we want you to know that all who can come will be most welcome. Assembly Inn may not be available for parents and alumnae at commencement season, and for that reason we are not at this early date making definite plans for its use. The Alumnae Luncheon will not be held as in the past few years, but better than that--a buffet supper will be given by Dean Spencer, at her residence, for all who are visiting on the campus. The business meeting will also be held at that time and the chief feature of that meeting will be the ELECTION OF OFFICERS for the coming year.

Since the issue announcing that Mrs. Grace Watson Griffith had resigned the presidency in favor of Miss Mary Leslie Thomas, we have learned that Miss Thomas is now in the WAACS. We have not heard from Miss Thomas, but are hoping that she may find some way to be present at our meeting.

Please write the ALUMNAE ASSOCIATION if you can be at the Buffet Supper at Dean Spencer's on Saturday, May 15 at 6:00. Also, write if you would like for us to arrange accommodations for you during Commencement weekend.
