VIETNAM RE- MAINSTROUBLE

The war in Vietnam began 4 years ago. There have been many skirmishes and many casualties, but it is evident that the United States' position has grown stronger over the last few months. 140,000 American troops have already been sent to Vietnam and 60,000 more are expected to go by the end of the year.

Should these men have gone to fight for another peoples' freedom? Should more of our young men be expected to give their lives to protect the Vietnamese? Why are we over there?

Montreaters have their opinions. Most seem to agree that we should fight the Viet Cong; the reasons differ:

---We made a commitment and ought to stick by it. However, we didn't send troops soon enough.

---Christianity (the basis of Democracy) is losing. If we don't fight in Vietnam we'll eventually have to live under Communist rule.

---If we just pick up and leave Vietnam, we'll only be encouraging the Communists in the United

States. The Communists in Russia, Vietnam and elsewhere look to see what the U. S. is doing. If we don't support President Johnson's plan and fight for Vietnam's independence, what will they think?

These are only a few of many comments made by you students. How do you feel about this situation and what are you doing about it?

MONTREAT TO HOST MANY THIS WEEKEND

Many leading businessmen, industrialists, and church men will visit Montreat this weekend, in connection with important board meetings scheduled there.

The board of directors of the magazine, Christianity Today will meet at Assembly Inn in Montreat Friday morning.

A dinner meeting of many leading church men is scheduled at Assembly Inn Friday night.

The board of the Billy Graham Evangelistic Association will meet at Assembly Inn in Montreat Saturday morning.

SUMMER JOBS AWAIT YOU IN MONTREAT

During the summer there are many jobs to be had at Montreat. Waitresses are needed in the hotels. Mr. Andrews would particularly like waiters and waitresses who can sing and/or play instruments to give entertainment to the guests. Bellhops and maids are essential. Counselors in the summer club program are needed to handle approximately 2,500 children ranging from kindergarten to collegiate age. Auditorium workers (cleaning and setting up meeting rooms), gate crew, fish wardens, office workers, conference photographers, and family camp area managers are positions that are also open.

The above positions are but a few offered here at M. A. C. Students desiring summer work are asked to contact Mr. Andrews. About one hundred and twenty-five of you are needed.

sides in Montreat, Dr. Nelson Bell, Executive Editor of Christianity Today, and Dr. C. Grier Davis, President of Mount-ain Retreat Association and Montreat-Anderson College, are hosts for the weekend meetings.
