Also, Dan Rabon and Russell Shealy both broke the school record for the most rebounds in one season as well as the team.

The won and loss record, 4-14, compiled by the 1965-66 Cavaliers was no indication of the effort put forth by the players. Every game found the Cavaliers playing against opponents who were three to four inches taller, but when the game was over the opposing team knew they had been in a game.

Next year's outlook is brighter for Montreat. Everyone will return except for co-captain Linwood Orenduff and Howard Dutton.
