DRAMATIST, RUSSIAN PLAY TO BE HERE APRIL 5TH | CINEMA SOCIETY ANNOUNCES SPRING FLICKS

It was announced this week by Mr. Virgil Sturgill, professor of Drama, that Miss Angela Mulgrav, an Allen High School student, would be presented here on April 5. Miss Mulgrav will present two mimes, "The Bird" and "Man at the Table." Described by Mr. Sturgill as "a most graceful young lady" her execution of this early form of drama should provide a very pleasant evening for Montreat-Anderson students.

Immediately following Miss Mulgrav's performance three Montreat-Anderson students will present the Russian play "A Marriage Proposal." Mark Steil, playing the part of the elderly and pompous old Russian, Stephan Stepanovick Chubukov, finds that his daughter, Natalia (Arlene Motney) is being courted by an extremely nervous lover, Ivan Vassilevich Lomov (Gary Brewer) This extremely hilarious farce will have no admission charge.

FIRST MEET SCHEDULED

The track team has been working out for the last three weeks in preparation for their first meet with Lees-McKae Junior College on April 16th. The main obstacle that will hurt the team will be the lack of depth.

The newly formed Cinema Society of Montreat-Anderson College announces the coming of new and different types of movies. Two general types of movies have been planned. The first are the general entertainment and the second are the limited appeal movies.

The general entertainment movies are the ones which are planned for the week-end entertainment. Such movies are The Unsinkable Molly Brown, A Boy Ten Feet Tall, The Nutty Professor, and others.

The limited appeal movies are those designed for entertainment as well as education. Movies such as Carl Sandburg Discussing His Work, Grant Wood, Walk In My Shoes, No Man is an Island, and The Quiet Ones have been planned. These movies will be shown during the week, followed by an informal discussion.

The Cinema Society is headed by Larry Fortune and sponsored by Mr. George Broughton. The purpose of the society is to provide entertainment and to stimulate the intellectual atmosphere of the campus. Presently there are about twenty-five members. The only requirement for membership is to be interested in movies. Watch the bulletin board for further information and coming attractions.
