

## David, della Rosa, & Brooks

### M-A To Hear Three Excellent Vocalist

On April 23, at the Playboy Club in upstairs Anderson auditorium, David, della Rosa and Brooks, a group that has performed at many major universities and night clubs will entertain the Montreat "pleasure seekers". They sing a spectrum of popular music, such as "Impossible Dream", "The Shadow of Your Smile," "Rampart Street," "Oliver," and songs from "West Side Story."

Comedy is an essential part throughout their concert. They possess an intense excitement about all of their songs and they sing with great honesty and conviction.

Hal David comes from Milwaukee, Wisconsin. His musical training began in jazz and, when he was sixteen, his group won all scholarships to study with the Modern Jazz Quartet at "The Music Inn" in Lenox, Massachusetts. Hal plays the electric six and twelve string guitar and also the bass.

Dianne della Rosa is a five foot ash blonde bundle of dynamic singing dynamite. She has lived most of her life in Baltimore, Maryland. She graduated cum laude from the University of Maryland majoring in political science and worked as a social worker, school teacher, and business executive entering show business.

Skip Brooks was a music major in college, trained in the classics. He plays piano, guitar, bass and vibres. Skip arranges and writes the material with Hal. They have written material that is currently being both recorded and performed by other name groups.

This group is vibrant, young and extremely versatile. It has finesse and beauty about its music which consists of "belting" rhythm and blues, "groovy" jazz, "swinging" pop, "moving" folk music and deli-

ghtful beautiful Broadway medleys.

Wendy Birkins and Thorn Neely both have seen and heard this group. They both agree that they are fabulous. Wendy said that they had "put on a good show, and I can't wait to see them again."

## Student Body Elects Officers To Head 68-69

As campaigns and candidates have become the center of attention throughout the state and nation, so it is that students at Montreat-Anderson have found their thoughts and energies centered on the election of officers for the coming year.
