MARCH 13, 1970

## Mayor Declares Spring Montreat Beautification Season

March 9, 1970  
TO: ALL MONTREAT-ANDERSON COLLEGE STUDENTS, FACULTY, AND STAFF  
RE: MONTREAT BEAUTIFICATION SEASON — SPRING, 1970

Dear Friends:

Your response to the ideas and plans for a total community beautification project this spring is indeed gratifying! Suggestions for each and every organized group or category of people are being written up. Participation by our entire community is possible here in Montreat more than in many other towns because of our size and close team relationships. Here is a list of steps taken to date:

—The student body was officially invited on February 26 by the Mayor to join the Town's people in a community-wide clean-up program during the spring of 1970.

—Announcement about the Conservation Club organizing seven work crews and committees plus an invitation for student participation was made on March 3 at Convocation.

—The Mayor, upon invitation by Dean Mitchell, presented the following outline to the faculty on March 4. It was enthusiastically approved for implementation by those responsible for each category.

### MONTREAT-ANDERSON COLLEGE

- 1. The Conservation Club Plans**  
Joint work with SCOPE (all Campuses in Eastern USA).
- 2. Project crews organized**
  - a. Lake Cleaning crew-David Campbell, Chairman
  - b. Creek Cleaning crew-R. O. Robertson, Chairman
  - c. Power saw tree trim-O. E. Starnes, III, Chairman
  - d. Poster Contest Committee-Carmen Mathews, Chairman (opens Mar. 4, closes Mar. 24)
  - e. Community Service (BG)-Jeff Brown, Chairman
  - f. Truck crew-L. Miller, Chairman
  - g. Publicity Committee-Carol Ann Pothier, Chairman
- 3. Faculty Participation**
  - a. Encourage in classes
  - b. Special leaf rake
  - c. Be informed about total program.
  - d. Help plan teach-in for April 22
  - e. Faculty-student coordination.
- 4. House Mothers and Dorm Officers**
  - a. Plan together for dorm clean-up, etc. anytime and all the time.
  - b. Dorm contest involving all students. (opens March 4,

closes March 24)

- 5. Secretary Work Crews**
  - a. Gaither group-planting flowers, etc.
  - b. Fellowship group-planting flowers, grass, etc.
- 6. College Clubs**
  - a. C. U. A. B.-Promotion, etc.
  - b. S. G. A.-Conservation Pledge effort.
  - c. S. C. A.-Part of stewardship, etc.
- 7. Promotion**
  - a. Through Hot Line
  - b. Through Cavalier
  - c. Through new news letter-newspaper.
- 8. MAC-Wives-MRA**

There is opportunity here for creative planning and work to produce a more beautiful campus. Student awareness as to what produces a trashy campus as over against a clean campus can help make this effort successful.

Choose an area crew or committee closest to your interest and lend a helping hand now! This can be the most fun we've had as a total community of friends working together on a worthwhile project to the enjoyment of everybody in Montreat. Please report to any group listed ideas you may have about beautification and clean-up. Watch the bulletin board in the cafeteria for announcements about work projects and other scheduled activities. All groups are urged to keep records of their work so this can count in the final competition.

The Town of Montreat has decided to endorse the Mayor's proclamation which is attached to this letter. Organizations within the Town that will be asked to participate in the Spring Beautification Program are the Montreat Garden Club, The Montreat Presbyterian Church through the Women of the Church and the Men of the Church, the Senior High and Junior Youth Groups. And a letter to all citizens in Montreat.

The Town Council voted to award a \$25.00 prize to the student who has the best beautification poster and a \$15.00 prize for the second place in the poster contest which began March 4 and closes March 24. The Town Council also voted to give consideration at its April meeting to cash awards to the dormitory which makes the greatest progress in cleaning up an planting flowers, shrubs, etc. around its premises.

Cordially yours,  
E. A. Andrews, Jr.  
MAYOR and  
Conservation Club Advisor

## He Is Here

Students have recently noticed a stately grey-haired man within the confines of Gaither Hall and wondered who he was. Students, this gentleman is our illustrious President, Dr. C. Grier Davis. Yes, Dr. Davis has finally come to Montreat-Anderson College. We, the students, should welcome Dr. Davis to our side of Lake Susan.

Possibly now Dr. Davis will gain a better understanding of our campus and its life. Some load will be taken off of our efficient administration if it is only the fact that they will not have to write so many letters nor make as many telephone calls.

The pulse of the campus will at long last be felt by Dr. Davis from Monday 8' o'clock classes to the last class on Friday. He will be able to sense our feelings toward mandatory convocations and chapels as we solemnly march past muttering obscenities and derogatory remarks.

Our warm feelings toward cafeteria food will at long last be heard as we joyously file down the steps to lunch.

No longer will we have to ask, "I wonder what he does on the other side of the lake?" We can go to that office with pretty red flowers and seek our answers. We, the students, should take time out to say, "Welcome, Dr. Davis, to the twentieth century; I hope you enjoy your stay."

—Gordon H. Andrews, Jr.

## Angel Street

The Greybeard Players, who brought laughter into Gaither, will perform a masterpiece of suspense in the form of a 3-act play, "Angel Street", March 18-20. The cast, that consists of Ed Cheshire, Betty Gayle Barkett, Leon Rippey, Ellen Foster, and Cam Culpepper, plan to leave the audience spellbound by this melodrama.

Angel Street, under the guidance of Mark Steil, is a well-written, well-directed, and well-acted play, not to mention the tremendous sound and lighting effects that Al Seitner, Vance Cox, and Louis Anderson create. The mood that is set by "Angel Street" is eerie and is one that can keep you anchored to your seat, bolt upright. The only other clue I can give you is to see it March 18, 19, 20.

—Debbie White

## ANNOUNCEMENT

All students are required to register for Physical Education activity courses for the second nine weeks on Monday and Tuesday, March 23 and 24, in McAlister Gym. Details will be announced at a later date.

## FOR SALE

Black Lights; 48" complete with fixture; contact Brett Blizzard; Room 215, Howerton; Reg. \$24.95 value now \$15.00.

## Photos For Sundial

Individual pictures of students for inclusion in the SUNDIAL, the Montreat-Anderson Annual, will be taken next week, March 16-19, in Room 102 Fellowship Hall, it was announced this week by Jackie Sapp and Sue Witmer, co-editors of the SUNDIAL. Mr. Andy Andrews will be the photographer.

The Editors request the cooperation of the student body in following the schedule below. They emphasize that the student must come during the time period allocated for those with his surname initial.

In cases where the student knows in advance that he cannot come at that time, he should go by the student activities office in Gaither and be scheduled by Mrs. Robinson for another time. If this is not done, or if the student fails to show up at the time scheduled he may not have his picture included in the SUNDIAL.

The schedule is as follows: all students whose last name begins with A and B should go by room 102 Fellowship on Monday between the hours of 9 and 12 A. M.; last names beginning with C and D should report from 2 'til 5 P. M. on Monday.

Tuesday's schedule: E, F and G from 9 'til 12 A. M.; H, I, J, K from 2 'til 5 P. M.

Wednesday's schedule: L, M & N from 9 'til 12 A. M.; O, P, Q and R from 2 'til 5 P. M.

Thursday's schedule: S and T from 9 'til 12 A. M.; U, V, W, X, Y, and Z from 2 'til 5 P. M.

The Editors request that all male students wear coats and ties and that the female students wear a solid color blouse, preferably white and no earrings or necklaces.

## The New S. U.

There is a new addition on the MAC campus. This is a grill that has opened in the S. U. during the past week. The grill has replaced all of the food machines that had previously been there. The grill has been welcomed by the students. This can be attested to by the right of an overcrowded counter at 10:00 each night. Also there is a greater number of people in the S. U. at that time.

The grill offers hamburgers, hot dogs, french fries, ice cream, cokes etc. According to several students the food prepared is quite good.

The food that I tasted was delicious. Mr. Maggand, the manager and cook, is an extremely good cook. He is assisted by several students, who takes and fills orders.

I have found that the students are very enthusiastic about the grill. Apparently the grill so far has been successful, and is the opinion of several students it is worth the time, money and efforts put into it. It is hoped that the grill will be here to stay. But that will be up to the student body.

—Allan Seitner
