Students Sing for Christ

"The General Assembly" is a twelve-member singing group sponsored by the Montreat-Anderson College. The group's name is taken from the name of the governing body of the Presbyterian Church; it is also meaningful because the members of "The General Assembly" come from so many places.

The members singing soprano include Ann Giampocaro, Vandy Romein, and Mary Jane Freeman. Ann is from Bluefield, West Virginia; Vandy came to Montreat from Due West, South Carolina; and Mary Jane lives in Fairmont, North Carolina. The alto section includes Kathy Wilds from Rome, Georgia, Debbie Goode from Tryon, North Carolina, and Pam Eastridge is from Charlotte, North Carolina.

Singing tenor are Curt Hursey and Mike Mitchell; Curt is from Dublin, North Carolina and Mike lives in Fayetteville, North Carolina. The bass parts are sung by Jeff Bourne from Atlanta, Georgia; Jim Wood from Montreat; and Wesley Horne from Wilmington, North Carolina.

Two recent additions have been made to "The General Assembly". Christine Koblehard, from Fort Pierce, Florida, plays the flute. Natalie Wann, from Baltimore, Maryland, accompanies the group with her guitar.

Curt Hursey, as leader of the "quartet", calls practices quite frequently, but they all feel that the hard work has paid off. So far this year, "The General Assembly" has had weekend engagements in Charlotte, North Carolina and Rome, Georgia. They have performed several places representing Montreat-Anderson College in song, including churches, civic groups and clubs in Asheville, Waynesville and Black Mountain. Tentative engagements for the remainder of the semester include programs in North Carolina, Georgia, Tennessee, Maryland, Washington and West Virginia.

Singing to God's glory and for the enjoyment of others, "The

Jesus-Rock Group

The popular, 12-member rock group, "The Sons of Thunder", will perform a two-hour Jesus-rock and light show concert Tuesday night, February 27th, from 8:00-10:00 p.m. in Gaither Chapel. Having played at VPI, Princeton University, Chapel Hill, Lynchburg, the Naval Academy, William and Mary, Averett, Madison College and UNC in Greensboro, this rock group from Bethesda, Maryland is noticed to be in great demand. Their album, "Day Follows Night", is also quite popular. "The Sons of Thunder" will travel to Princeton the day after they play here and later on will move on to Galedet College. "The Sons of Thunder" have always been sponsored by Campus Crusade, the Navigators, or Intervarsity, all three well-known Christian associations. The group has been and is given high recommendation from many sources. Their program Tuesday night will be worth seeing.

General Assembly" performs religious, patriotic, secular, and gospel folk songs. Each member feels as though the group "is really gettin' it together."

Culture Hits Montreat

The Mu Lambda chapter of Phi Theta Kappa is sponsoring a Fine Arts Festival to be held March 27-29 here at Montreat. The purpose of this festival is to encourage a creative spirit in Montreat students. The festival will display almost any exhibit under the categories of art, literature, photography, and music.

Each entry will be judged and cash prizes will be given for 1st and 2nd place entries in each category. Group projects from the various clubs and organizations on campus are welcome, but will not be judged. More detailed information about the festival will be available soon.

We hope that many students will take advantage of this opportunity to display their creative efforts. John Furman has informed us that nobody need enter the group participation category since the pep band has it all wrapped up! How about the rest of the clubs accepting John Furman's challenge? Anyone who feels that he has even the least bit of artistic talent should be involved in this event.
