

## New Baseball Coach

After being out of baseball with the exception of six games last year the Montreat-Anderson Cavaliers got back into action under new head coach, Mr. Lenn Stranak. Coach Stranak enters Montreat under rough circumstances having not been able to pick his players out of high school. Mr. Stranak comes to Montreat after attending Murra, College in Tennessee and then doing graduate work at the University of Kentucky. He was also a boy scout for the Montreal Expos. He has been in organized baseball for seventeen years. His coaching ability should help the team tremendously. After chewing the fat a while we got down to talking serious baseball.

When asked about what brought him to Montreat the coach said that since the post was vacant and the college was small he decided to come to Montreat. He likes the surroundings at Montreat and the people here.

When asked about the season's outlook the coach replied that it was too early to tell. "The team hustles very well and the attitude is good. It is too early to tell until we get under game like conditions outside. We have 25 boys competing for nine positions, so there is a very good competitive spirit on the practice field. "Going around the diamond the Cavaliers have two good candidates for catcher in Bill Rutledge and Craig Pipkin. We have very strong arms in the outfield and very quick alert infielders. We should have good personnel at all positions on the field. Our pitching staff includes Rust, Caudill, Mike Zinn, Louis Raines, Bob Cooper, and Russ Seymour. These boys are not our only pitchers, but they are the ones that are shaping up well for us now.

As to the competition in the conference Coach Stranak said that Anderson, Mitchell and Spartanburg should be the teams to beat. Mitchell is our first game and we hope to catch them off guard. They play a 55 game schedule and they are rated 7th in the nation. Spartanburg has a new coach and I don't know much about them. Anderson is always tough. Our season starts March 20 and goes through April 28. I would like this opportunity to ask for the support of the faculty, the administration, and the students.

Our mighty Cavaliers in action

Human beings spend about one-third of their lives asleep.

## Soccer All-Stars

Emmanuel Udogu and Mark Turner both made All-Region in representation of Montreat-Anderson. Emmanuel was put up for All-American, but the team's overall record kept him from being eligible. Both of these men deserve recognition from the student body for a job well done.

The 1973 Montreat-Anderson Tennis Team will host its first match of the season against Mitchell College in late March. Three starters from last year's team have returned and will try to improve last year's 4-6 record. With two freshman and sophomores to fill the other four vacancies the team is ready for competition.

The coach for this year is Dr. Wilson. He is optimistic about the season's future with Anderson's and Lee's Macrae's number one players having graduated. Other colleges on schedule are Warren Wilson, Isothermal and Wingate College. Wingate College has had a monopoly on tennis for several years now and is currently the Junior Davis Cup Champion.

**All you smokers  
who plan to quit  
someday:**

**Can you  
throw away that pack  
right now?**

It's not easy, is it?  
In 20 years, after 146,000 more cigarettes,  
you think it's going to be easier?

Don't kid yourself.

Quit now. You'll never get a chance like this again.
