

TUTORING PROGRAM

The tutoring program is a group of interested students from MAC, working to help small children with their homework. The group meets each Tuesday night and goes to the Mills Creek Baptist Church in Black Mountain. MAC students work with each child individually on lessons until about 8 o'clock and then return to campus. Before leaving, the group tries to spend some time in fellowship with the children, singing and praying. This helps the group to get better acquainted with the children, and also gives them an opportunity to witness for Christ.

On Saturday, December 8, 1973, MAC tutors had the children from the church here at Montreat as guests. They ate lunch with the students at Howerton cafeteria, were given a tour of the dorms afterwards and then took the children to the Gym, where they roller-skated for almost two hours. Both the children and students thoroughly enjoyed the visit and there are hopes that in the future, MAC students can have more extracurricular activities of this sort for the children.

Anyone interested in participating in the tutoring program is more than welcome to go. The group meets in front of Gaither each Tuesday evening at 6:30 P. M. (unless otherwise posted). It is really a wonderful opportunity to help others and to grow in Christian Spirit.

Friday, February 1st, 53 students boarded a 46-passenger bus headed to Gatlinburg for the annual World Mission Conference. Among the college students that went were: Dottie Williams, Fran Conger, Marilyn Martin, Lynne Hanson, Steve Mayhue, Susan Dantzler, Bryan Pillsbury, Deborah Dickenson, Fred Nichols, Laurie Young, Kay Jackson, Dottie Davis, Gordon Gartrell, Sarah Richardson, Ed Bass, Buster Dewey, Glenda Peverall, Preston Parrish, and Mary Hair.

Once we got there, the liquid sunshine poured down and it kept pouring down all weekend. Our accommodations were good even though a couple of people ended up

The Lookout staff, faculty, and student body of MAC wish to say to Dean Akers, "We sure are glad that you're back with us!"

Our Academic Dean and Bible teacher here at Montreat-Anderson has returned to most of his duties following surgery in late November. He expects to resume the L. Nelson Bell Radio Bible Class soon, and will finish the course in **Acts and Related Epistles** after Spring Break.

We feel that all who know Dean Akers will agree that he most certainly is returning to his spry nature and picking up with his duties as though nothing had happened.

Dean Akers, we praise God for your work in the college and for your genuine concern for every student, and are also very thankful to Him for watching over you and restoring your body and health.

sleeping in the bathtub. The program was made up of several missionaries home on furlough and such people as Tony Fontain. He had a good message in song and in words for us. He said that Hollywood is in just as much need spiritually as people in the Congo. The real mission field is where you are now.

The group was then entertained by the "GA", or the General Assembly singers of our college: Ann Giampocaro, Mary Jane Freeman, Sally Latham, Keith Money, Pam Young, Melvin Dills, Mike Mitchell, Natalie Wann, Ken Wilkenson, Leo Muller, Pecky White, Pam Est-ridge, Jean Crawford, Loretta

Porter, and Kathy Wilds. On this trip the group was assisted by Gordon Williams and Tex. While walking down the street Saturday afternoon it wasn't unusual to hear humming or singing of songs that had been sung in the conference by the GA. They were a blessing and inspiration to all that attended the conference.

Those students attending got back to Montreat in time for one of those great Sunday night dinners (too bad the SU isn't open on Sundays!) After dinner, most people went to bed to try and catch up on some of the sleep that was missed during the weekend.
