

TENNIS PROGRAM

Good news for the Montreat sports fans! Our tennis team has already surpassed their efforts from last year!

Our first match was with Mitchell, and we lost by only one point. We appreciate the efforts of the whole team, and we want to thank Sam Thomas, Buster Dewey, and Michael Johnston for their single wins.

The second match, played at Isothermal, was rained out before the doubles had been played. So far, the score was 4 to 2 in Montreat's favor. When Isothermal visits M-A, the doubles will be finished.

The mental attitude of the team is a very positive one. All the players are working to build each other's game up. "The game that is played is the Lord's, because we turn it over to Him even before stepping onto the courts."

This coming Saturday, March 30th, our first home match will be played. We are playing Warren Wilson College, and we wish to encourage all students to come out and support THEIR team.

HORSEBACK RIDING

Horseback riding classes began for MAC students March 12th. There are four horses for class use, and in case you haven't been introduced to them yet, their names are Chief, Lady, Skeet, and Pat.

The classes include a variety of activities, ranging from riding the horses to cleaning out the stalls.

The classes are transported to the stables by use of a "Jeep", which, by judging its looks, could be debated. Nevertheless, it has only blown up once so far. As most of the students have discovered (to their dismay), the ride up the mountain, over all the potholes, etc., does have its up and downs.

All of you horse fans not in the classes, please don't feel left out. The horses will be rented out to all students for out-of-class riding. A schedule of horseback riding times will be posted at a later date, but until then, any interested persons should contact either Pat Griset or Ron James.

DRAMA

The Montreat-Anderson Touring Company, have gotten off to a great start. They have put on three plays for the year, *Devil and Daniel Webster*, *Our Town* and *Kiss and Tell*. Of these *Kiss and Tell* seems to have caused the most excitement.

The Touring Co. took its tour to Bethel, Ohio, and various cities in N. C. It was put on for The Dinner Theatre at Assembly Inn for March.

The organization is now in the process of putting together a Summer Theatre with their first major production being *Sound of Music*, with plans for two other productions to be put on for the remainder of the summer.

Those who will be working with Summer Theatre under the direction of C. C. Kinnians are: D. Banks, R. Beaty, S. Simpson, G. Stewart, C. Tabler on the pace program; E. Alfred, S. Borders, K. Morgan, T. Holding, J. Wood, 10 week program; K. Anderson, J. Swartz, B. Travis, part time program.

We extend a cordial invitation to those interested in attending any or all of these productions, and to those of you not interested, remember the Gray Beard Players motto: "If you can't come - send the money."
