Howerton sweeps Davis

by BARRY SULLIVAN
Sports Editor
Intramural Football

Football got underway at Montreat back in late September with Howerton's third floor taking a clean sweep of all the games.

The rugged and powerhouse team of Howerton seemed to have little if any difficulty beating the two teams of Davis: Davis 2nd floor and Davis third floor.

Howerton's explosive offense was led by a shrine-bowler named Bernard Young who quarterbacked in the shrine game of North Carolina verses South Carolina. Also on

Howerton's offense there was wide receiver Steve Kiser, Dennis Suits, and Keith Miller.

Ashford Devane was the head hunter of Howerton's stable defense. Also on defense was Dean Connell, who was everywhere on the field, Steve Brawham, Howerton's keyman on offense as well as defense, was outstanding in performance.

Seven games were played during the season with Howerton crunching Davis each time. The first game of the season demonstrated the poise and ability the Howerton men showed with a 30-6 score. Following that game

Howerton pulled the trick of the hat over Davis 13-12 in the last seconds of the game.

From then on out Howerton had no difficulties slaughtering Davis. The seventh game was the big Dust Bowler with Howerton over Davis by a small margin of 20-18. It seemed that Davis went in with everything they had and just about pulled the wool over Howerton's eyes.

The games were played with each quarter having eight minutes, refereed by Stan Young and Doug Banks. Montreat salutes the Howerton Bell Bangers for their outstanding performances.

Trustees vote rate increases

by RUTH AKERMAN
Administration Editor

An 8 percent rate increase was approved by the Board of Trustees, Friday, Oct. 30 in Montreat. In the 1976-77 school year, students will pay approximately \$200 more than this year.

"It's primarily due to the cost of living," President Silas M. Vaughn claims. "This year we had no rise in rates although expenses rose

sharply. To compensate for this we're having to raise money."

Walter Hall, college business manager, states that 18-20 percent of the school's expenses (approximately \$300,000) are dependent on gifts and money raising this year.

The total income of the school has increased 21 percent in the last four years and, coincidentally, faculty and staff salaries have in-

creased 21 percent also. Dr. Vaughn points this out in saying that the school is not trying to make money.

"In that four year span, utilities increased 47 percent and student room and board fees increased only half that much," he says.

Dr. Vaughn adds that Montreat-Anderson is the highest on the board for food quality in this state and fees must be raised to maintain that.

Freshmen to elect officers

by R. B. WILKINS
Student Government Editor

Montreat-Anderson freshman will elect freshmen officers Friday during lunch and supper in the cafeteria.

This year as last year the candidates were nominated by the student body and screened by the nominations committee of the S.G. A which is composed of President Alan

Capps, Vice-President Matt Wade, Secretary Jennifer Horne, Treasurer Lou Ann Gayle, Jim Evans President of the Honor Council, Dan Montgomery President of the sophomore class and R. B. Wilkins—President of the freshman class.

Nominated for the office of freshman class president were Paul Williams, David Buie, Mark Robinson, and Tommy Morgan. Nominat-

tions for the office of Vice-President of the freshman class, were Paula Myers, David White, and Robert Collins.

Freshman representatives who were nominated are Willis Dowling, Terry Edwards, Alec Morris and Sam Feldman. Girls who were nominated are Tanya Henderson and Brook Parriot. Dormitory Representatives will be elected at a later date.

Hunt praises M-A C

by LINDA LEACH

Montreat - Anderson College sponsored an appreciation dinner at Holiday Inn-East Monday night, October 27th for business and professional leaders who support M-A C's cooperative education program.

Those who attended the dinner from Montreat were President Vaughn, Dean Akers, Dean Wilson, Mrs. Kinnison, Mr. Gordon Greenwood, Mr. John Davis

and Miss Susan McKnight. Also represented at the dinner were employers from a various number of jobs. Lt. Governor, Jim Hunt, an unannounced candidate for the Democratic gubernatorial nomination, was the speaker.

Hunt said that the Co-op program was a demonstration of confidence in the American Free Enterprise system, and the desire to make it work. He spoke in appreciation of the college's effort to give

practical business experience of local employers.

Another thing Hunt mentioned was that by Montreat-Anderson's determined action the cooperative Education Program has been made a success.

Montreat College believes that learning can and must extend beyond the classroom. The Work-Education program has been in existence for two years now and looks good for the future.

"Dust in the Corner" is planning a large special edition to appear in December as the last edition of the newspaper for this semester. The edition will feature creative work in literature and art by Montreat-Anderson students and will be prepared by our "Creative Corner" staff, "Moose" Wall, Tim Peeler and Judy Milliner.

We want this to be a school effort. Everyone participate and give us your poems, stories, essays, drawings and creative black and white photographs. All material must be in to our creative editors by the end of November at the latest, but please get your stuff in early so we can produce the edition without excessive delay. Thank you.
