

Love is a sleeper locked in a room
 Love is a sleeper locked in a room
 Waiting for someone to waken it
 Holding a key for a heart that's immune
 Frightened that it's not really making it
 But sooner or later, it feels through the cold
 All the warmth and tremors that's shaking it
 Love is a sleeper, no one can deny
 I know, I've been so tired many times.

Love is a sleeper, content by the sea
 Lazing so gently so far
 Waits for the tide and the moon to agree
 So pulled by the Force that we hide away
 But the beaches are empty more often than not
 And left by itself, it's a cast away
 Love is a sleeper, no one can deny
 I know, I've been so tired many times.

The Dance
 The fiery glow of that distant sky,
 cradled between the purple peaks,
 ignited the underbellies
 of fierce grey doves
 who soared above the blaze.
 They were carried forth
 upon the voice of the Mighty One,
 the strains of which song
 whipped dead brown leaves
 far above the cove's velvet crotch
 to whirl and soar
 between the glowing heavens
 and myself
 like swallows gifted with the Dance,
 the Dance of the Joy
 of the knowledge of God

"The team is as in good a shape as last year," remarked Coach Stranak. "We have a few good players but the new freshmen are filling the spaces just fine, and we also have a few pro-prospects in addition to several four year college prospects but they must live up to potential this season."
 MAC is a part of the Western Carolina Junior College Conference. There are five teams participating -- Wingate, Spartanburg, North Greenville, Anderson, and Montreat. Spartanburg is the defending champion and Montreat's goal is to uproot them.
