Owls Stunned by Cavalier Come Back

Coach Joe Hagan

Montreat NC - The Montreat men's soccer team didn't want any of their fans to leave the game early on a windy, cold Tuesday afternoon at Cavalier field. Facing local rival, Warren Wilson College, the Cavs Once again proved that "it ain't over till it's over", as they were forced to come back from a 1-4 deficit to defeat the Owls by a final score of 5-4. The afternoon started on a promising note as Montreat put immediate pressure on the Owl net. They were rewarded with an early penalty kick as fresh Jaime Apreda

over freshman keeper Brian Adams (Asheville NC). With the momentum on the Owl side, the wheels started to come off for Montreat who saw the Owls score again on Adams and then score two more on freshman David Schermerhorn (Black Mountain NC) to take a 4-1 lead early into the second half. Determined not to give the Owls their first win in the long history of Montreat soccer, the Cavs dug their heels in and started to battle back. David Vertner (Jacksonville FL) shifted the momentum to the Cavs on a beautiful solo run and goal to cut the deficit to two with twenty-seven minutes to play. With junior Brandon Love (Gastonia NC) minding the Cav net and the defense stifling all Owl attacks, the Cavs started blasting the net and creating scoring opportunities. Finally, with sixteen minutes to play, a long shot by sophomore Jonathan Adcock (Candler NC) was unintentionally deflected in by an Owl defender

to bring the Cavs within one goal. Jaime Apreda tied the game with three minutes left after slicing through the entire Wilson defense and slotting the shot past the helpless Owl keeper. With everyone thinking "overtime", junior Jeff Bryson (Horse Shoe NC) headed the game winner past the stunned Wilson keeper after a great effort in the box to give Montreat another incredible come-from-behind victory in the closing minutes of the match.

Tarbell Patten, the catalyst behind the Running Club (second from right) with a few of his runners. If your interested or have questions give him a call at ext. 6303.

Montreat's Running Club

By Becca Snyder

The Montreat Running Club, headed by Freshman Tarbell Patten and running coach Thomas Cason, is an opportunity open to students of all physical abilities, and is aimed at having a good time and getting exercise. Coach Cason lends his extensive coaching and running experience to the club of about 7 guys and 5 girls. The Club meets three times a week in front of McAlister Gym, and they run for about an hour. In order to accommodate those with difficult schedules, the club is flexible and will often run as two groups, each at a different time.

sity cross country team for the past three years, however, interest dwindled. There was not enough participation to keep the team going this year. Cason and Tarbell hope that by next fall there will be enough interest to revive the team for a season of competition.

The Running Club seeks to make running as fun as possible, provide good company, interesting areas to run in, healthy encouragement, and a relaxed, non-competitive atmosphere.

If you're interested in joining the club, call Tarbell Patten at ext. 6303, or Thomas Cason at 686-7153.

Montreat College has had a var-

Midnight Madness 2001

Coach Joe Hagan

Montreat NC - Montreat College's men's and women's basketball teams will host their 3rd annual Midnight Madness on Thursday, October 25th, beginning at 10:00 PM. The evening will feature intrasquad scrimmages by both teams plus a large number of events, performances, and contests in which fans will have the opportunity to win cash and prizes. One lucky fan will be chosen at random to take a chance at hitting four shots and winning \$10,000!!! Other contests include a "hot shot" compe-

tition, dance contest, Dizzy Shot, Half Court Heave, Beat The Buzzer, and an open Slam Dunk Competition.

The newly formed Montreat Dance Team will perform and members of both squads will be introduced prior to their intrasquad competitions. The evening will conclude with a patriotic salute to our United States of America. All the festivities will be held in McAlister Gymnasium on the main campus of Montreat College. The public is invited to attend free of charge.
