

Skate Night

By Sarah Wolfe

What happened to good, old-fashioned roller-skating? Around 7-8 years ago, roller skates gave way to roller blades, and skates were no longer seen on the street or sidewalk. We have a new generation of youngin's that don't even know what roller skates are!

Now is our chance to rebel against the bonds that temporary trends put on our society. Come out to skate night on Friday, February 15th. We are meeting in Belk lobby at 7:30pm and car-pooling over. What could be more fun than laughing at your friends while they play the hokey-pokey?

Prayer Vigil

By Tim Tyson

Starting at noon, February 15, Montreat College will host another 24-hour Prayer Vigil at the Chapel of the Prodigal. The reason for the event is simply to draw Montretians together for a focused time of prayer and supplication to God. There are no flashy signs and there will not be a big-ticket speaker. However, there will be the Almighty, and He promises to meet His children whenever they call out to Him.

This will be a simple event, with praise and worship at noon Friday, worship at midnight, and it will finish with worship at noon the following day. There will be a sign up sheet in the Belk lobby above the mailboxes for students to sign up for time slots. The sign-up sheet

is primarily for security reasons. This is an attempt to make sure that the Chapel will be occupied for the evening hours and if possible, the daylight ones too. Students may come to the Chapel to pray for as long or short of a time as they wish. If students would like
