

montreat's *ugly* dress contest!

Once again the Anderson ladies competed against one another in the most repulsive event of the season: THE UGLY DRESS PARTY 2006. Bad taste, repulsive fashions, and thick makeup filled the evening as the ladies gathered together to flaunt their external ugly. Three Anderson ladies stole the night away as they took home the Ugly Awards. Holly Seddon walked away in the Ugliest Dress Award, Hillary McMillen loudly flaunted her Best Hair and Makeup Award, and Caitlin Barker revealed her inner vogue as she received the Best Over All Award. Congratulations to all of our brave ladies for exposing their inner ugly and having a ball doing it.
