

FROM THE EDITOR

Keep The Whetstone, Montreat's Student Voice, alive. The Whetstone has three staff positions available for the 2010-2011 school year. All staff positions come with a \$1000 Student Leadership Excellence Scholarship in addition to an hourly work-study position.

Editor-in-Chief— Must be a leader on campus, preferably a junior or senior able to communicate effectively both verbally and in writing. Have a clear understanding of proper grammar and punctuation. Primary roles include carrying out any administrative duties. Assist in editing and managing the production of The Whetstone. Encourage English and Communication majors or those who plan to work in publication, broadcasting, journalism, or multimedia fields to apply.

Layout/Design Editor— Must have working knowledge of Mac computers, software programs InDesign and Photoshop, or be a quick learner and available to train. Primary role is to design the layout of The Whetstone using artistic abilities. Art minors, CIS majors, and individuals who enjoy computer and graphic design should apply.

Business Manager— Must be a self-motivated individual with interest in sales and marketing. Responsibilities include planning budget, managing accounts, bringing in revenue from ad sales, and filing contracts and invoices. Business majors and individuals with experience in marketing and accounting should apply.

Keep in mind that you don't HAVE to be an English or communications major to apply. If you're good at what you do, it doesn't matter what your major is! All these positions are great resume builders. If you are interested please e-mail me at adkinsa@montreat.edu for an application. We are looking to hire staff before April 26, 2010 so they can be properly trained prior to the new school year.

The Communication Research Methods class under the direction of Dr. Shores is conducting a survey to gather information about the student perceptions of The Whetstone.

This questionnaire is completely voluntary and should take 2-3 minutes to complete. Answers will remain anonymous. If unable to return this survey on site, please send to Whetstone mail box #839.

The Whetstone asks that you participate in the survey that will be conducted during April 19th-23rd, so that The Whetstone can better represent the student voice.

37 days until graduation, for those who are counting. Stay focused—we're not there yet!
