

FROM THE EDITOR

Hey,

Easter Break is almost here! I know I've been saying since about an hour or so into Spring Break that I was ready for another break, but this one snuck up on me. After dealing with a lost voice recorder with my two major projects of the year, completing those projects (with the recovered recorder!), rehearsing, studying for tests and writing papers I will be even more thankful for the break.

I have a feeling you will be, too. This is the point of the year where students and teachers alike seem to realize just how little time we have left in the semester and are determined to cram everything we haven't done into the last few week of school. Whether this includes an epic road trip, hiking, exercise, papers, tests, or squeezing those last convo credits in (or, more likely, all of the above) most of us have a long list of things to do in a short period of time.

Easter Break, while short, is the last one we have before the end of the semester and will probably be one of the busiest we all have. Keep the *Whetstone* in mind as you're on break and shoot us photos, emails or Facebook messages about how it's going!

Another big concern this year is health-- with allergies and stress (and Easter chocolate on top of that!) Nurse Linda Thompson and the campus counselor, Jane Carter, have agreed to write advice and Q&As for the *Whetstone*. Have a question for one of them? You can either email them at lthompson@montreat.edu or jcarter@montreat.edu or, if you'd rather, send them straight to us at mcwhetstone@gmail.com or Montreat College Box 839.

We have some really awesome articles this issue-- we have some from SGA, from members of the Guatemala mission trip, and others, including some statistics

and news about the school.

As always, send us your articles, photos, or letters for publication-- and be sure to let us know how we're doing. This is the *student voice*, so represent!
