### A Suggestion for Christians

The apostle Paul says to us, "Do not be ignorant!" He says in Ephesians 6:12 [as well as throughout the epistles] that the things which affect us abusively are not caused by persons of the flesh, but by the "DIABOLICAL NATURE OF SATAN." These debilitating things cover many categories: Poor-health, oppression, mental incapacitations-even robberies and burglaries!!

The Scriptures show us that Christians of today do not have to tolerate such abuse. Most churches do not teach in detail about such things; however, the Bible does! People of Christian Faith need to be taught how to receive The Grace of God, that will release and free them from these pervasive "Invisible Spiritual Forces of Darkness."

There is information and teaching available to those Christians who sincerely want to know more of what the Bible says concerning these things and what we can do to prevent them from attacking us.
