

Mt. Pleasant Community

by Betty Blanton

The Baptist Women met at the home of Mrs. Ethel Ray on Tuesday evening. Mission Action Projects were discussed and decided upon. The group was encouraged to read and study the "Royal Service" more. Mrs. Ronald McSwain gave an interesting program on "Religions of West Africa" at the close of which Mrs. Ray served delicious refreshments to the group.

Scott Bass arrived on Friday to be the Youth Director for ten weeks this summer at Mt. Pleasant. He is a student at Campbell University and the church is looking forward to his working with all the group. Scott will be living at the Jim Walker home.

Houser Lake was the setting Sunday evening for the worship service beginning with a cookout enjoyed by the group attending. Mrs. Bobby Headley led the singing of the hymns and Rev. Ronald McSwain brought a brief message to close the service.

Mr. and Mrs. Shull Whitaker attended graduation exercises at the Malcolm Brown Auditorium in Shelby on Friday evening. Their granddaughter, Jane Davison, was a member of the class.

Esther McSwain celebrated her 13th birthday over the weekend by having several of her friends for a pajama party on Friday night. The girls had lots of fun and enjoyed the time together. Then on Sunday, Esthe and her family enjoyed her birthday by having a family dinner at their home with cake and all the trimmings.

Among those at the beach at this writing are Mr. and Mrs. Charles Ramsey, Ray and Tim Ramsey, David Jolley, and Craig Hamrick. Carole Jolley and a friend from Greenville, S.C. are spending this week at Pawley's Island.

How Smoking Encourages Heartburn

Cigarette smokers who enjoy a cigarette at the end of a meal should not be surprised if they have heartburn later, according to Dr. Donald O. Castell, Director, Digestive Diseases Division, and Professor of Medicine at the Uniformed Services University.
