

# Debutante Ball

Miss Hamrick

Miss Piercy

Miss Vaughn

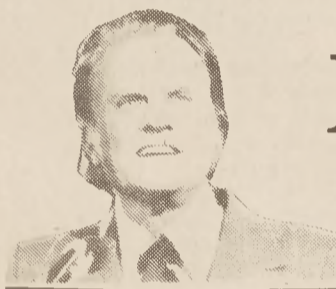

Three young ladies from Boiling Springs will be among the one hundred twenty-nine debutantes to be presented June 12th, 1982, at the Shelby Junior Charity League's 37th Annual Debutante Ball.

Jean Leith Hamrick, daughter of Mr. and Mrs. Clifford Hamrick, Jr., Nancy Rebecca Vaughn, daughter of Mr. and Mrs. John Henry Vaughn, and Lisa Anne Piercy, granddaughter of Mr. and Mrs. Brooks E. Piercy, Sr., will be among the debutantes from 19 cities and towns to be presented to the Western North Carolina society.

Chief marshal for Miss Hamrick will be Mr. Hamrick, and assistant marshal, Timothy Ross Ramsey; chief marshal for Miss Vaughn will be Mr. Vaughn; and chief marshal for Miss Piercy will be Mr. Piercy, Jr., and assistant marshal John Albert Whisnant.

Co-chairmen of the 1982 Ball are Mrs. Dale Bridges and Mrs. C. Rush Hamrick, III; Secretary to the Debutantes is Mrs. William E. Campbell, assisted by Mrs. Dale Short; and the League President is Mrs. Lacy Ballard.

The Shelby Junior Charity League Debutante Ball originated in 1946 when thirty one young ladies from Western North Carolina (twenty from Shelby) were presented to society. Inspired by the late Isabel Hoey Paul and patterned after the annual debutante ball in Raleigh, the Ball has become a well established social event of Western North Carolina. Following months of parties honoring the Debutants, the Ball weekend in Shelby provides two days of delightful activities hosted by the League for the Debutantes, their parents, and their marshals, as well as the presentation itself.

## My Answer

By Billy Graham

**DEAR DR. GRAHAM:** Do you think getting involved with drugs may make a person more susceptible to the devil? — C.R.

**DEAR C.R.:** Yes, it may well be true. The reason is that drugs may make a person less alert, and cause him to lower his guard. It is interesting that the word which is usually translated "sorcery" in the Bible is the same word from which we get the words "pharmacy" and "pharmaceutical." The reason is because sorcery was believed to be closely related to the use of drugs in some instances, and it was also seen as closely related to the worship and service of Satan.

Satan is a liar. He promises happiness and peace of mind, but in the end all gives us is misery and slavery. The Bible says, "Submit yourselves, then, to God. Resist the devil, and he will flee from you" (James 4:7). Satan is strong, but Jesus Christ is stronger. He alone can give real meaning and joy to life. Don't accept a substitute — let Christ take control of your life and let him give you true joy and peace.

It is also interesting that in our own time the use of heavy drugs and the worship of the occult have often gone hand in hand. That is not by accident — refusing God's way of life automatically exposes us to the temptations of Satan and his influence.

But there is something else to be said. When a person becomes involved in drugs, it is often because down inside there is a hunger for something greater than they have experienced before. A person may not realize it, but this is actually a hunger for God — a vacuum in the human heart which only God can fill. But whenever we substitute anything for God — whenever we try to fill that spiritual hunger with anything (or anyone) other than God — we have been deceived by Satan. Satan's whole efforts are directed at keeping people from God, and he will use any means at his disposal to accomplish this. This can include drugs, or any number of other devices Satan will try to use.
