WRITES BACK

TELLS OF LIFE AT CAMP JACKSON

The Caduceus is in receipt of a letter from Arthur Donnelly, former K. of C. secretary at the base hospital building and a firm friend of many of the boys. He was well known about the camp, having taken a keen interest in the work, also handling the K. of C. news for The Caduceus, his letter which should be of interest to many fellows:

Camp Jackson,
Columbia, S. C.,
August 17, 1918.

Editor of The Caduceus.

Dear Sir: My copies of your sterling publication arrived this evening and I was very glad to receive word of Camp Greene again. The issue is a good one and one of great interest to me.

I am unable to write a very consistent letter for Jackson is a busy camp of over 60,000 men and as we only have one building with eight secretaries here we are naturally very busy and the many interruptions make letter writing exceedingly difficult.

Am having chow with the detachment mess at the base and naturally meet a great many of the fellows. I cannot help but note the great impatience of them all to start for overseas and to leave Camp Jackson.

I left Camp Greene with sincere regrets as I never met an all around bunch of chaps half so decent, friendly and hospitable as at the base. As I left Charlotte I'm sure I saw the great water tower in the distance and I would have given a great deal to be near it again.

Jackson is different and hard to get acquainted for service is the crying need and there is no time for a little "chat" or a chance to "chew the rag" with the boys.

I like the camp and the bustle and activities and in the evening when the whispering pines whisper the first call

"Y" NEWS.

TWICE A WEEK.

"Huck and Tom," with Jack Pickford taking the lading part, was the picture provided for Monday night's entertainment. It was a splendid dramatization of Mark Twain's adventures of Tom Sawyer and was enjoyed by the entire audience.

On Wednesday night the movie program consisted of the following:

"War Reviews."

"Naval Ball Conspiracy."

"Broncho Billy and the Rattler."

These bi-weekly programs are proving very popular as shown by the large attendance.

Rev. Dr. Nash, Episcopal camp pastor conducted Sunday morning service at the "Y" assisted by Secretary Alexander.

Secretary Alexander is a recent addition to the "Y" staff and will conduct chorus and group singing throughout the camp.

TALENT WANTED.

Can you sing, dance, play a musical instrument, recite a poem, or will you box or wrestle? If you can do any of these things, let's have your name for a big "Stunt Night" at the "Y" Tuesday night. Won't you help to entertain your brother soldiers. They will appreciate your efforts.

Leave your name with any of the "Y" Secretaries or address Harry Herzfeld, Physical Director of the "Y."

of the cooling evening and the dishes began to rattle at the hostess house everything is simply fine then. Some day I'm going to sneak away for an hour or so and lay in the grass of Jackson Circle and enjoy the scene from the observer's viewpoint.

All kinds of luck and kind wishes and a bit of envy for my successor.

Yours,

ARTHUR J. DONNELLY.

JEWISH WELFARE

The Secretary has issued the following order in regard to furloughs for Jewish soldiers during the coming High Holidays:

"The Secretary of War desires that furloughs be granted to members of the Jewish faith for the New Year from noon, September 6, to the morning of September 9, and for the Day of Atonement from noon September 14, to the morning of September 17, if it does not interfere with the public service. If military necessity prevents the granting of furloughs, provision should be made for them to hold divine services wherever possible on the days mentioned.

(Signed)

"THIRD ASS'T SEC'Y OF WAR.

"By Benjamin Rabinowitz."

POOL TABLE HERE.

Joe Downie the new secretary wants to let all the boys in camp know that the new pool table arrived and is ready for use. He wants the boys to come and play so that he can get a line on them to start a tournament beginning Monday of next week. Those wishing to play in the tournament will please leave their name at the desk.

The secretary also wishes to state that the new tennis court will be ready today. Tennis racquets can be obtained at the building also tennis balls. Players if possible will please wear their tennis shoes when playing so as to keep the court in good condition. Baseballs and gloves can be obtained at the K. of C. building. There will be entertainments every Tuesday and Friday night at the K. of C. building.

It was of a stirring nature and made a deep impression on his large audience.
