SNAPPY SHOW

Last Friday evening at the K. of C. Building No. 1, a very fine entertainment for the colored troops at this camp took place. The entertainment was in the form of a novelty vaudeville show, and the talent was entirely colored. One of the features of the show was a "breaker of knots," whose work at tearing himself out of the most difficult rope entanglements and knots, was exceptional. Another greatly enjoyed number was a chorus, of men who have been transferred to this camp from Camp Jackson. Some of their songs were of their own composition. The building was filled to capacity.

Secretary Keleo wishes it announced that the pool table in this building will soon be fixed up; he is in hope of having it in as good condition as that of the table at the building at the Base Hospital.

ORPHEUS FOUR.

This week started off with the Y. M. C. A. with the Orpheus Four Males Quartette coming to the different buildings over the camp for four days. They were moved up one day and started their concerts last night at the Base Hospital and tonight will appear at Y-104 and 106. This afternoon they will appear at the colored Y's at 4 o'clock and tonight at Y-104 and 106. Monday night they will appear at Y's 103 and 105. They are a splendid quartet and the Y. M. C. A. is to be complimented for putting on such a good program.

Through the aid of the Y. M. C. A. educational secretary at Y 102 there is a class of 47 foreign and illiterates who cannot speak a word of English and these men are being taught by three very pleasant lieutenants of their own company. At Y 105 there is a French class taught by a lady from Charlotte. At Y 106 a class of 60, all foreign and illiterates are organized and at Y 284 where the men are all colored there are 500 men learning their first lessons in school. At the Base hospital there is a class of 15 foreigners.

ENJOYABLE PROGRAM.

Last Friday evening at "Y" 103, a most enjoyable program was rendered by young ladies of Charlotte and Gastonia. Miss Julia Haygood and a party of Girls from Hawthorne Lane, gave a shadow party which was indeed most delightful.

Miss Ruth Mason, of Charlotte, Miss Ruth Mason, of Gastonia, gave a beautiful vocal program. Her voice displayed careful training and her selections were most charmingly sung. She was accompanied by Miss Mary Louise Crowell, of Charlotte.

CHANGES IN PERSONNEL.

The personnel of the headquarters force of the Y. M. C. A. has been changed considerably. Dr. J. O. Grogan, the popular general secretary, has been taken into the campaign for funds and is succeeded by Dr. J. T. Mangum. C. M. Oliver has also been taken for the coming campaign for funds and as head of the educational department is succeeded by Prof. Ray Funderburk. Dr. J. T. Thompson who has been sent to Camp Jackson has been succeeded by Rev. Daniel Iveson, the head of the religious work. Rev. G. L. Mayes, of Arkansas, is now the new secretary at Y 104 and J. A. Caldwell, who is secretary for Y 102, is out in the campaign for recruits at present. L. W. Bloom, of Lokeland, Fla., is the new Trench and Camp editor to succeed Theodore Partrick, Jr., who has been taken into the state campaign.

Soldiers should all remember that religious services are held ever Sunday morning and evening at all the Y. M. C. A. buildings in the camp as well as special nights during the week. At every one of these services the "Y" buildings are crowded at nearly every meeting.

Secretary H. F. Coyle, who has been with us for the last three weeks, left here this morning for Camp Sevier, to which camp he has been transferred for duty.

Secretary M. A. Sheridan, of New York, who has also been with us for some time has left us, he having been transferred to Camp Joseph E. Johnston.

The week of October 7th has been designated by the Y. M. C. A. as the Folks Back Home week when as many as possible will be interested in sending "Association Men" the great international "Y" magazine "back home."
