TRUCK CO. NO. 330

Motor Truck Company No. 330 mourns the loss of twenty-six men, nineteen of which helped to form the old company at Minneapolis, Minn. We wish them the best of luck.

Within the last few days numerous non-sufficient officers have been the made, a few sergeants and bushels of corporals. Now boys, you can eat with the men.

Sergeant Black Jack Prause is our new company clerk. He thinks a telephone is a great invention.

Who says that Bud Sheridan isn't patriotic? He has a 25-day furlough, but he would rather serve his country than go home.

We are sure that Sergeant Cummings recently promoted as Top Sergeant will make good at his new job. He can almost say "geese up."

Truck drivers beware of our new assistant truckmasters as Min Andrews is on the job at all times with his Dodge.

Snuss Johnson is bemoaning the quarantine. The Myers Park conductors will miss you now, Tom.

The Top has an awful time getting away from South Tryon street about midnight lately.

If Sergeant Billie Thul doesn't find some transportation pretty soon he'll get thin and then what will Toots say?

No more large gatherings during the quarantine, eh? That means no more crap games, boys.

Florenz Ziegfield, Jr., has nothing on Ord. Sgt. Leonard when it comes to dressing the company.

Sgt. Donald Montagu Bates, alias Three Card Monte, delighted in basking in the sunshine of the Carolinas.

Among the recent happenings in the Quartermaster Corps, is the appointment of 2nd Lieutenant Walter F. French as detachment commander and Summary court officer. Sometime ago while he was a member of the detachment he was ordered to Camp Lee, Va., to attend the officers' training school there, and was commissioned in about two weeks after his arrival.
