HOLD BIG DANCE.

The final social activity of the 349th Labor Battalion an informal dance, held at the Southern Manufacturers' Club, on Thursday evening Dec. 12th 1918, was a vast success. It was an informal affair and was largely attended by the invited guests who all agreed that the Labor Organization was due a vote of thanks and gratitude for the delightful manner in which they had brought their visit at Camp Greene to such a successful conclusion. The Battalion is under orders and is expected to be mustered out of the service within a very few days.

Capt. Robert Watt has left for Philadelphia, Penn., on a ten days' leave of absence from his duties at this station. He has been called home by the death of his mother.

The following medical officers have been discharged from the service and have proceeded to their respective homes: Capt. John T. Brown to Paris, Ky.; Capt. Cicero J. Ellen to Greenville, N. C.; Capt. Herman J. Keyser, D. C., to Philadelphia, Penn.; Capt. Fielding E. Lewis to Philadelphia, Penn.; Lt. Charles F. Mahood to Anderson, W. Va.; Lieut. George H. Upton to New Orleans, La.; Lieut. Samuel E. Gayman to Britton, Okla.; Lieut. Fern Chamenois to Hattiesburg, Miss.; Capt. Walter A. DeFoe to Sagamore, Mich.; Capt. William T. Carson to Hastings, Neb.; Capt. Another of the fortunate medical officers to secure a leave of absence during the past week was Capt. Herman Elwyn who left the latter part of the week for New York city.

Lieut. Thomas has also been successful, in securing a leave of absence during which period he will visit his former home near Cheyenne, Wyo.

First. Lieut. Marion F. McKnight is away on a five day leave necessitated by the serious illness of his brother in-law at Chattanooga, Tenn.

First Lieut. Reginald Rowland designated Chaplain has been assigned to the Base Hospital as permanent religious officer for this organization.

OUR FORMER AND OUR NEW QUARTERMASTER

1st. Lieut. Charles Harvey

We were all sorry to lose Lieut. Charles Harvey, the base hospital quartermaster for four months, and who was discharged from the army on last Wednesday. We know that he had a trying job and yet he bears nothing but praise from the enlisted men who have clamored long at his office for extra shoe strings and hat cords. He was also in charge of the hospital fire fighting system.

1st. Lieut. John H. Trickey.

Lieut. John H. Trickey has taken hold of the quartermaster affairs like a veteran of the service that he is. He has worn the uniform for eighteen years. He was in the Phillipine trouble and served in the Panama Canal Zone. He knows army paper work from A to Z, and understands from experience how long a pair of canvas leggings should hold out. He came to Camp Greene from Fort Thomas, Ky.
