Triangular Debate Query Announced

High Point Expects to Get the Trophy
This Year

"RESOLVED, That the United States should enter the League of Nations" is the query for the state-wide Triangular Debate this year. This announcement was received by Prof. Waters from the University of North Carolina last week.

High Point is expected to send a team next spring to Chapel Hill that will bring home the honors. It will be remembered that last spring the team from High Point High School came within a hair's breadth of winning the Aycock Memorial cup, outstripped by Durham with only a narrow margin. This team was composed of Walter Crissman, Frank Cauble, Charles McAnally and Willie Robinowitz, with Horace Hayworth as coach. This year the Highs have even a better chance with Walter Crissman and Frank Cauble still available and many new ones coming on, while Mr. Owens will serve as coach.

Schools Celebrate Armistice Day

High Point schools celebrated Armistice day with appropriate exercises in the High School Auditorium, which consisted of the singing of patriotic songs, speeches and exercises suitable for the occasion. The patriotic spirit of the school was manifested by numerous flags of our country which formed a perfect array of colors. Boy Scouts and Girl Reserves joined in the mammoth parade which was staged in honor of the occasion. Lessons in the school were along the lines of Armistice Day and teachers impressed the student body with the seriousness and reverence which was due to the day and the brave American dead who now lie in Flanders fields.
