## SENIORS CAPTURE LAURELS IN INTER-CLASS TRACK MEET

### JUNIORS SCORE 43 POINTS

Seniors of the local high school last Friday wrote their name in inter-class track history with bright and blazing letters, on Welch field, in one of the most stirring and thrilling contests ever witnessed by the students of H. P. H. S. The seniors succeeded in stacking up 50 points while the juniors, sophomores and freshmen classes secured 43, 4, and 2 points respectively.

The inter-class track meet is an annual affair, participated in and cherished by all four classes alike. Constant practice on the part of the participants more than any other one factor made the event a most interesting one.

Ten separate events were provided during the contest. In each event prizes were awarded to those contestants holding first place honors.

Fogleman, captain of the senior squad, carried off the largest bulk of bacon. He cleaned up three first place honors and one second, thus capturing 18 points for his eager classmates. Johnson, also a senior, fell in second by landing 16 points to his credit.

In the four-lap relay race, which proved to be one of the most interesting on the card, the juniors romped home an easy victory. The last lap brought the crowd to its feet. C. Fuqua, a junior, was leading with White, a senior, trailing by five yards. The air rang with enthusiastic cheer. "Stick Fuqua!" and "Come on White" came from every nook. Fuqua spurted, White fell back and Fuqua dashed

## LOCAL HIGH SCHOOL HAS PARENTS WEEK

May 14-18 was observed as parents week in the local high school. This the first time in the history of the school such a period has been set aside.

Parents were not only given an opportunity, but urged to attend the school some time during the week to look over the new system and see how things are being done this year.

Quite a number of parents attended during the week. However, the number was larger than might have been expected because this is an entirely new thing in the local school.

The purpose as Mr. Johnston, principal of the school, expressed it is not to show off the school to the parents, but that they have a right to look things over for themselves. Another purpose is to get parents interested in the school so that they will cooperate with the teachers and pupils to create a better understanding between them.

## REV. E. J. HARBINSON SPEAKS TO STUDENTS

A very beneficial and interesting talk was delivered in chapel Wednesday by Rev. E. J. Harbinson, pastor of the East End Methodist church. The subject of the talk was "The Church."

The preacher requested that the student body should forget the idea of the church as a structure of brick and wood, but in its stead remember it was an organization. Mr. Harbinson stated that, in the early centuries, Christ sent out his followers into all parts of the world. These followers, or missionaries, established churches and denominations where they stopped; then we have the various churches today.

Mr. Harbinson stated that the church is a brotherhood. He said that the Roman Catholic Church is a part of the church. The Catholic church means "universal." The pastor also spoke on the phase of the Lord's prayer, saying that one should not say, or begin to say the Lord's Prayer without first being willing to abide under the will of the Lord. Our Saviour saw a need of this when he sent out prophets.

The preacher stated that the church was an invisible thing, and that the best things were represented in the church; after this statement he closed with five points of the church: It is good to look upon, its character, deeds and value.

## RAY STREET SCHOOL TO HAVE COMMENCEMENT

Friday, June 8, will see the opening of the commencement exercises of our very newest school, Ray street. On that night the teeniest children, those from the first through the sixth grades, will present a rollicking Mother-Goose fantasy. Following this, on Wednesday, June 13, will be class day exercises, when those pupils who are passing from the seventh grade to the high school, will say their last farewells to their dearly beloved Ray street school. These pupils are working very hard on their respective parts, and it would not be surprising were they to show the high school seniors some very interesting things. The essay and oration contest, for the seventh grade will be held June 15, at 3:30 p. m. Gold medals will be given the boy having the best oration, and the girl having the best essay.

The Ray street pupils have been doing some good work since they have been in the new school building, and every one is expecting that their commencement exercises, the first to be held in the new auditorium, will be splendid, and typical of the work they are doing.

## ATHLETES PRESENT CHAPEL PROGRAM

### MR. HAZELHURST DIRECTS AN ENJOYABLE PROGRAM

One of the most delightful chapel programs of the year was presented in the high school auditorium, Thursday morning, May 17, by several of the high school athletes, directed by Coach Hazelhurst. Mr. Hazelhurst opened the program with the scripture lesson, after which William Ragan made a talk on "Basketball," in which he stressed the leading points which should be emphasized in basketball. Perley Fogleman, who won the mile run in the state track meet, made a talk on "Track," in which he emphasized the fact that a good track team comes from practice and experience. Carl Fuqua made a talk on "Football" and explained the principal points which make a strong team. James Ellington and Winfred Beck delighted the students with some remarkable tumbling stunts, which included turning somersaults, walking on their hands, and other stunts of like manner. These promising young athletes also afforded the audience much entertainment by their attempts at diving over the rod.

At the conclusion of this performance Mr. Hazelhurst awarded monograms to those who have done good work in track this year; those who received monograms were Roy Johnson, James Ellington, Winfred Beck, Walter Beck, and Perley Fogleman. Mr. Haislip awarded monograms for baseball to Ralph Edwards, manager Charles Remfry, Ralph Foust, Carl Fuqua, Ernest Fuqua, Ruben Freddy, Raymond Gray, Terry White, Alpheus White, Edwin Hedrick, Chester Hayworth and Judson Ruth. Those who received monograms with a star were Roy Johnson, Irvin Ingram, and June Alered. All of the athletic teams have done good work and even though all of the boys did not receive monograms, they deserve much comment for their work.

## HIGH SCHOOL DRAMATIC CLUB PRESENTS 'THE DOPE'

Shudder after shudder ran through the frames of the fascinated audience which viewed with horror the weird uncanny, and grotesque scenes of "The Dope," written by Charles Brooks and produced at the meeting of the Dramatic Club by a cast of these characters with Charles Brooks as Art Grey, the dope fiend; James Ellington as Bill Denney; and Beverly Yates playing the role of Dnffy.

The acting was exceptionally fine, and showed that there is some very promising material in the high school.
