COACH BOYLIN'S YEARLINGS TAKE WINSTON-SALEM IN LIBRARY SERVICE

The Winston High's football team was feeling very liberal last Thursday when they handed our boys their seventh football victory to the tune of 27 to nothing at Welch field. Winston's gift was forced by our hard-hitting, sure-going team in an easy manner.

In the first quarter High Point rushed Winston for three consecutive downs. Our smashing attack resulted in a touchdown, Gleason carrying the ball. The kick for extra point was made good by Gernander. After this first touchdown High Point settled down to a steady grind giving up to Winston not one first down the remainder of the quarter.

In the second act Winston worked hard, trying cross bucks and "monkey plays" in an attempt to outwit High Point. It was in this period that Winston advanced 12 yards for their first, first down. High Point had soon solved Winston's attack, easily holding them in their own territory. The quarter ended with the score 7-0.

High Point started the second half with a bang. Sweeping Winston aside on their first play the Bisons cleared the way for Joe Gleason to make a 61 yard run for a touchdown. Another placement kick was made successful by Gernander.

In this quarter Winston's half back, McAlister, squirmed his way through the High Point defense for a fast 85 yard run for a touchdown, but because of off-sides, which called before the play, the score did not go down for his team's credit.

In the last of the quarter Winston opened up an aerial attack but to no advantage.

On a "monkey play" in the final quarter Winston fumbled and High Point recovered on the 10 yard line. In three plays another touchdown was scored by Gernander.

In Winston's territory once more and the ball in their possession, a pass was intercepted for a 15 yard gain by High Point. From the nine yard line Gernander made an end run for a touchdown and kicked goal for the final score.

Officials—Referee, Caldwell; umpire, Stanton; headlinesman, Talman; timekeeper, McAskill.

The library newly organized by the librarian at the High Point high school is open for daily use. For the first seven days it was open there were five hundred and twenty seven books in circulation. The library was given to the school by the senior class of '23. Miss Shover has a helper for each period in the day, so that she may devote her time to students who need her help about their reference work. The books are so kept that any student in school can find immediately the book which he desires. The books of fiction are on one shelf, essays on another, and biography on another. So it is not necessary for any student to ask Miss Shover where any book is. There is a reading list posted in every room and in the library that shows what books you can read to get credit for, and the number of credits that will be given on each. The present system is striving to make the library service as good as any in the state.

LAST YEAR'S SENIORS AND WHERE THEY ARE

Many of last year's seniors left a few weeks ago for many different colleges and universities in this state and other states seeking a higher education. The class of '24 is represented more at the High Point College than any other in the state, while a great number are at the university.

Last year's students at the university are; William Ragan, Holt McPherson, Clifton Ring, Bill Munyan, James Ellington, Boyd Pierce, Keith Harrison, Bill Caffey, Hubert Royals, Archie Chase and several others.

At the High Point College are: Charlie Brooks, Vernon Sowers, Frank Wood, Annie Lee Jarrell, Frances Hatton, Mae Woolen, James Perryman, Ward Swain, Alice Pitts, Paul Cranford, Rufus Martin, Snowden Livengood, Lucille Morrison, Edna Morrison, Annie Laura Ellington, Virginia Pickens, Jocelyn Bures, Lela Wood, Margaret Snipes, Max Parrish, Ralph Vance, Louise Koontz, Carl Fuqua, Louise Welch, and others.

Dorothy Reitzel is at Lenoir College at Hickory. Johnnie Muse is at Hollins College in Virginia. Tom Gold entered the preparatory school at Orange, Virginia. "Pete" Moffitt goes to Riverside Academy at Gainsville, Ga. Alfred Caldwell went to Davidson College. Edwin Hedrick to Washington and Lee. Several other could not be accounted for.

INTERESTING CHAPEL PROGRAM RENDERED

A very interesting program was rendered Thursday morning, October 16, by Miss Brewer's room, No. 24.

Frank Mitchell read the scripture. This was followed by the Lord's prayer. After this a play entitled, "The Bachelor's Dream," was given. John Marsh took the part of the bachelor and slept it off very well. In his dream he saw his old sweethearts. First his little playmate, Vera Smith, then Annie Payne acted the shy country girl. After her came Ruth Farlow, a vamping coquette, then Ezora Suites as the gypsy and following her was Gladys Ellington as the actress. Next was Ruth Russell, the beauty followed by Thelma White, the Indian girl, and Mary Austin, the nurse.

The bachelor awoke and as the curtain fell he met the bride he had chosen from all the rest, Ruth Russell.

While this was being given Dorothy Hoskins sang some appropriate songs and were also favored by a quartette from Miss Albright's room.

BUILDING PROGRAM OF

THE NEW Y. M. C. A.

That on or around December first the first revision of the new Y. M. C. A. building would be ready for opening was the interesting announcement made by Edgar Hartley, Y secretary and director.

A program of development will be worked out corresponding to the verse in the Bible which reads, "Jesus developed in wisdom, stature, and in favor with God and Man."

Mr. Hartley explained and showed the arrangement of the building. The swimming pool is regulation size, 60x20. Starting off at the depth of four feet and tapering down to eight and one half feet. The water will be running out and through a filter and back in at the other end of the pool.

The pool and the walk around the pool will be of white tile, while the walls will show this up an elaborate color-scheme. The older boys and the men will have a dressing room at one end arranged so as to step out of the dressing room, under the showers, and into the swimming pool. The same arrangement will be used for the younger boys.

The gymnasium will be as large and will be arranged to compare favorably with any in the south. There will be ample room for a basket ball game or indoor baseball or any other indoor sport and leave room for a gallery which will seat 800. Later on a track oval in shape, will be built around the wall.
