Editors-in-Chief

## P. L. S.

The Poe Literary Society met November 12, 1930. Many members of our society were absent, so therefore we had to substitute some other members in their places. By doing this, we presented the following program:

1. Song by Society — "Mistress Shady."
  2. Debate—Resolved, "That the 18 Amendment Should be Abolished." Affirmative — James Fulghum, James Eason, Willson Mayerberg. Negative—Billy Smith, Billy Aycock, Ernest Godwin.
- The Negative side won, which said that the 18th amendment should not be abolished.
3. Song by society—"Sing a Ling, Ling."
- After the last song, we adjourned until the next meeting which will be Wednesday, November 19, 1930.

## FRESHMAN NEWS

We are very glad that the Seniors won in the beauty contest. For it is their last year with us and they will have that to remember the rest of the High School for voting for them.

On Monday, November 17, at the fifth period our grade mother came and left us a basket of fruit. We were all pleased with it.

For the benefit of the farmers of Johnston county the county school board has decided to teach school on Thanksgiving Day. It will be very difficult for the pupils to learn on that day, but we must pass it on as another day.

The Freshman English Class is now taking up the study of adjectives and adverbs under their English teacher, Mr. Jervis. We have just completed a study on Nouns, Verbs and Pronouns.

Mr. Jervis has organized an "I. W. W. Club" on Friday afternoon for the pupils who misbehave.

The eighth and tenth grade tied at the last meeting of the Parents and Teachers. The prize of fifty cents was given to both grades. This makes the third time the Freshmen have won or tied.

The eighth grade sponsor has organized a basketball team, electing Floyd Weston, Jr., captain and Billy Blackman manager.

The Biology classes under the instruction of Miss Boliek, has just heard their grades on an "exam" on insects. There were some splendid grades.

The Parent-Teachers Association met in the auditorium of the high school Monday afternoon, October 17. The meeting was opened by a hymn, "My Jesus, I Love Thee," led by Rev. Mr. Betts of Raleigh. The minutes were dispensed with and a report was given by the president of the P. T. A. State Congress in High Point.

The second grade was again awarded the pennant for the cleanest and neatest room.

The attendance prizes went to Miss Spivey's 4th Grade; there was a tie between the 10th and 8th grades.

Mrs. May Dixon Thacker, of Shelby, was the guest speaker and her subject was "The Cross."

A duet was rendered by Rev. Mr. Betts and Rev. Mr. Waddell.

## CALHOUN LITERARY SOCIETY

The Calhoun Literary Society met last Thursday afternoon, Nov. 12, in the auditorium.

Song—Society.  
Paper—"Life of John C. Calhoun," Elsie Earp.

Debate—Query, Resolved: "That, the Eighteenth Amendment Should be Repealed."

Affirmative—Lloyd Foster, Henry Grice, Doc Oliver.

Negative—Ervin Fulghum, Paul McMillan, Floyd Price, Jr.

Song—Society.  
The negative side won.

Dr. Wade H. Atkinson made another talk to the high school last week. His subject was "France." He explained the conditions of France today, told of the silk manufacturing and the arts of this country.

There are three million more women in France than there are men; therefore a larger part of the work is done by women.

The peasant class is the same as our farming class of the United States. There are many small farms in France but few large ones. Vineyards seem to be one of the largest productions.

The things of beauty most noticeable in this country are the Cathedrals and the Chateaus with their vast gardens of flowers, shrubberies, statues and fountains.

Wednesday nite the Seniors entertained the contestants at a theater party at Smithfield. The picture was "Liliom," co-starring Charles Farrell and Rose Hobart.

On December 12, the Junior and Senior Classes will give a "Stunt Program" in the auditorium of the high school. Each grade will participate and a prize will be given to the best stunt. The admission will be only ten cents. Do not forget it!

## Felt Bad After Eating

"BEFORE I started taking Black-Draught, three years ago, my health was very bad," writes Mrs. C. C. Carson, 945 Concord St., Beaumont, Texas. "I suffered constantly from constipation. I had headache when I got up in the morning, and I felt dull and sluggish. I hardly ate a meal that my food agreed with me. Frequently I would have gas on my stomach, and felt awful."

"I read about Black-Draught, and I thought it might help me. After I had taken it a little while, I felt much better. It relieves constipation. I keep it on hand so when I need a laxative I will have it. In the three years I have been taking it, I have never found anything as good for constipation."

WOMEN who are run-down, nervous, or suffer every month, should take CARDUL Used for over 50 years.

## Today's Good Telephone Service Must Be Better Tomorrow

Not long ago very few long distance calls were handled while the calling subscriber remained at the telephone. Today more than 70 per cent are handled that way.

Today the average time required to complete a long distance call is only 2.4 minutes as compared with 7.5 minutes five years ago.

Similar improvements have been made in your local service and errors now average less than two in every 100 local calls.

These achievements are the result of new inventions, improved operating methods, new equipment, combined with the skill and interest of experienced operators, linemen and engineers cooperating with an army of loyal workers, many of whom are technical experts.

Proud as they are of these accomplishments, the telephone organization is not satisfied. There is no standing still in the Bell System and every day organized effort is directed toward making your service even better tomorrow.
