Committee Kills Goldsborough Bill

Washington, June 1.—The senate banking and currency committee killed the Goldsborough bill today by substituting for it the Glass bill, which provides that national banks may issue currency on bonds held to the extent of the capital of the bank.

After an hour and a half discussion the committee made the substitution on the theory that the Glass bill would bring quicker inflation and more widespread from the beginning than the Goldsborough bill, which would stabilize commodity prices through open market operations of the Federal Reserve system.

Chairman Norbeck said the possible expansion of currency under the Glass measure would be one billion dollars.

There are about 135 small patches of the new perennial lespedeza sericia in Robeson county.

SOUR STOMACH

JUST a tasteless dose of Phillips' Milk of Magnesia in water. That is an alkali, effective yet harmless. It has been the standard anticid for 50 years. One spoonful will neutralize at once many times its volume in acid. It's the right way, the quick, pleasant and efficient way to kill all the excess acid. The stomach becomes sweet, the pain departs. You are happy again in five minutes.

Don't depend on crude methods. Employ the best way yet evolved in all the years of searching. That is Phillips' Milk of Magnesia. Be sure to get the genuine.

The ideal dentifrice for clean teeth and healthy gums is Phillips' Dental Magnesia, a superior tooth-paste that safeguards against acid-mouth.

The Bayer Cross is not just a trade-mark, but a symbol of safety.

That name tells you it cannot depress the heart.

The tablet stamped Bayer dissolves so quickly you get instant relief from headaches or other pain.

There is no disagreeable taste or odor to tablets of Bayer manufacture; no harmful quantities of free salicylic acid to upset the stomach; no coarse particles to irritate throat or stomach.

Squabs Win Over Austins By 18-10

The "Squabs," Selma's newest juvenile nine made its bow last Friday morning with a smashing 18-10 victory over the Austins, another local nine. The Austins took the field with five select members from their outfit while the "Squabs" opened with seven players. Otey Oliver, recruit pitcher, started for the "Squabs" but retired early in favor of Cole Ray, veteran right hander, who pitched the remainder of the way. "Red" Simpson and Floyd Bradley shared catching duties for the Squabs. Randall Jones, hefty Austin chunker, went the route for his team though hot hard at times. George Suber and Tommie Woodard, mite catchers, were the Austin receivers. The game was enlivened by three home runs from the bats of Cole Ray and "Red" Simpson, of the Squabs and Burrus Jones, star Austin first sacker.

A Texas leaguer to left field in the first inning got by Johnny Colones, Austin gardner, when Johnny was busily engaged in downing an all day sucker.

The Austin-Squab tilt uncovered many future high school stars. All of the youngsters played exceedingly well for their age and size. Ray Simpson, Bradley, and Oliver of the Squabs and the Jones brothers and George Suber of the Austins were the particular stars if any there were.

375 Gallons Of Whisky Are Taken By Patrolmen

North Wilkesboro, May 30—Highway patrolman Carlyle Ingle, who makes his headquarters in this city and patrolman Hatcher, of Hickory captured 375 gallons of liquor near Taylorville Saturday night.

Seeing a heavy loaded truck, the patrolmen decided they would have the driver test the brakes. He appeared unusually nervous for an innocent truck driver and the officers decided to take a look at his cargo. As they did so he deserted the truck to flee on foot. He was not apprehended.

BABY FRETFUL, RESTLESS?

Look to this cause

When your baby fusses, tosses and seems unable to sleep restfully, look for one common cause, doctors say. Constipation. To get rid quickly of the accumulated wastes which cause restlessness and discomfort, give a cleansing dose of Castoria. Castoria, you know, is made especially for children's delicate needs. It is a pure vegetable preparation; contains no harsh drugs, no narcotics. It is so mild and gentle you can give it to a young infant to relieve colic. Yet it is as effective for older children. Castoria's regulative help will bring relaxed comfort and restful sleep to your baby. Keep a bottle on hand. Genuine Castoria always has the name:
